25. Riders riding 02 or 03 horses with cumulative penalties incurred on each horse will not be clubbed for the benefit of the rider for calculation of merit. Points/ penalties earned by the rider will be maintained on each horse (horse-rider combination) till final trial and merit will be worked out at the end of the trials by the selection committee on 31May 2018.

26. At the end of qualifiers/trials/competitions in India/abroad, Selection Committee will select riders & their horses for each discipline by 01 Jun 2018. All selected and reserve riders will attend the coaching camp under the Indian and foreign coaches (except riders based abroad). The final selection of the team will be done keeping in view their merit in the selection trials, fitness of the horses/riders during the coaching camps (as a horse rider combination). The selection for the team, individual and reserve riders for each discipline will be as under :-

- (a) **Dressage - 6 riders (probables).**
- (b) **Jumping - 6 riders (probables).**
- (c) **Eventing - 6 riders (probables).**

29. Selection Committee will also select the Indian Equestrian Team Manager based on competence, experience, exposure and knowledge of rules and regulation of the sport. The manager will be associated with the Team for a minimum period of 06 months prior to scheduled departure.

30. The entire Selection Committee will convene for Selection of the team by 31 May 2018. This date for selection of the Indian team will apply for all riders and horses, based in India or abroad.

32. At least one or two Selection Committee members will watch all the selection trials and hold discussion with coaches, jury members, organizers, vet doctors and competitors. This will facilitate better selection process and understanding about riders and horses.

33. Post selection of probables, the order of merit shall be sacrosanct unless there is steep drop in performance during coaching camps or the horse/rider become unfit due to some unforeseen circumstance . However under no circumstances will the coach give one horse to another rider without the consent of the selection committee who will also take the views of the original rider, other team members, foreign and Indian coach before taking the final decision.

34. All selected probables for all the disciplines will be considered as probables till Selection Committee in consultation with Indian and foreign coaches for each discipline again reviews the entire selection process before submission of definite entry. Fitness of riders and horses, horse-rider combination, performance during camps and original merit will be of paramount importance and will be taken into consideration for final selection of individuals/teams. The entire selection process will be reviewed by the selection committee in consultation with coaches, vet doctor and executive committee before definite/confirmed entries are forwarded to organizing committee of the Asian Games in order to ensure best teams/individuals are selected to win medals for the country. In case of a change in original merit of team/indl entries, the selection committee will be bound to endorse complete justification on selection/weeding out of a horse-rider combination.
