IN THE HIGH COURT OF DELHI AT NEW DELHI

WRIT PETITION (CIVIL) NO. 10342 OF 2019

IN THE MATTER OF:

Rajasthan Equestrian Association ...Petitioner

Versus

Equestrian Federation of India and Others ...Respondents

REPORT OF THE OBSERVER

MOST RESPECTFULLY SHOWETH:

1. By order dated 15.11.2019, the undersigned was appointed by this Hon'ble Court as an observer to oversee the functioning of the Respondent No.1, Equestrian Federation of India (EFI).

2. The Present report is being filed to bring to the attention of this Hon'ble Court the following:

2.1 It is with deep concern that the undersigned has sought to bring certain troubling facts relating to the functioning of

Respondent No. 1 to the attention of this Hon'ble Court, for its immediate action.

2.2 The undersigned submits that by virtue of order dated 29.05.2024, this Hon'ble Court had revived the Executive Committee ('EC') constituted pursuant to the EFI elections held in November 2019, as an interim arrangement due to the impending (as on date of the order) Paris Olympics, 2024. This was categorically recorded in Paragraphs 3 and 5 of the stated order.

2.3 However, the EC, after its revival has not been effective in dispensing with the responsibilities bestowed upon it and has unfortunately, resorted to endless quarrelling and expressions of aggression against each other. Instead of holding necessary discussions on the developmental issues plaguing the sport or

the workings of Respondent 1, the members have resorted to settling existing grudges against one another.

2.4 To the best of knowledge of the undersigned, since the order dated 29.05.2024 of the Division Bench of this Hon'ble Court in LPA 449/2024 and LPA 453/2024, no substantive work has taken place in Respondent No. 1, and the reinstated EC had only facilitated the participation of one horse/ rider combination in the Paris Olympics.

2.5 The undersigned states that, primarily, the dispute between the members of the EC can be traced to the difference in recognition of the Acting President of Respondent No. 1. Certain section of EC members consider Mr. Harish Khokhar (Vice President Finance) to be the legally appointed Acting President of Respondent No. 1 whereas another section of EC members consider Col. Jagat Singh, Retd. (Vice President

Tech) to be the legally appointed Acting President of Respondent No. 1. For this court's reference, the undersigned is laying forth the sequence of events that has transpired and resulted in the present predicament. This Hon'ble Court may thereafter decide the next course of action, as it deems fit.

- i. On 17.08.2024, an Executive Committee meeting of Respondent No. 1 was held wherein the undersigned was also in attendance. At this meeting, the EC members unanimously agreed to nominate Col. Jagat Singh, Retd. (Vice President Tech) to chair the 62nd Annual General Meeting of Respondent No. 1 ('AGM'). It is to be noted that Lt. General Gopal, Retd. had resigned from his position as President of Respondent No. 1 on 05.08.2024. A copy of the minutes of the EC meeting held on 17.08.2024 has been annexed herewith and marked as **Annexure A**.

- ii. On 18.08.2024, the 62nd AGM of Respondent No. 1 was held.

At the AGM, the General Assembly had nominated Mr. Harish Khokkar to serve as the 'Acting President' of Respondent No. 1. A copy of the minutes of the meeting for the 62nd AGM has been annexed herewith and marked as **Annexure B.**

- iii. Distressingly, at the 62nd AGM, the acrimonious nature of the relationship between the members of the Executive Committee escalated to the extent of fisticuffs, with an attempt being made to hit Lt Gen MK Yadav, Retd and Maj Gen Sameer Lamba, a serving Army officer. It is humbly submitted that in the experience of the undersigned, such an incident has not been witnessed in any NSF. It is submitted that the incident has been video-recorded and can be produced before this Hon'ble Court upon request.

- iv. From the month of September 2024, Col. Jagat Singh began to communicate with the Federation Equestre Internationale ('FEI'), Indian Olympic Associates ('IOA'), Ministry of Youth Affairs and Sports ('MYAS'), Club/Institution members, other stakeholders from his personal email id purporting to be the Acting President of Respondent No. 1. A copy of emails dated 22.09.2024 sent by Col Jagat Singh has been annexed herewith and marked as **Annexure C**.
- v. Around the same time, Mr. Harish Khokhar also sent a slew of emails to MYAS, FEI and Ms. PT Usha, IOA, informing each of them that he had been duly appointed as the Acting President of Respondent No. 1 in the 62nd AGM. A copy of the emails dated 14.10.2024 and 15.10.2024 sent by Mr. Harish Khokhar have been annexed herewith and marked as **Annexure D (Colly)**.

- vi. To the best of the undersigned's knowledge, after the 62nd AGM, valid and duly called EC meetings have not been held since 17.08.2024 due to lack of quorum and the ongoing dispute between two Vice Presidents i.e. Mr Harish Khokhar, Vice President (Fin) and Col. Jagat Singh, Retd Vice President (Tech) on the status of 'Acting President'.
- vii. It must be stated that the undersigned received an email communication on 07.04.2025 stating that an EC meeting would be held on 11.04.2025 at 1200 hours. Thereafter, an email communication was received on 11.04.2025 (day of the meeting) stating that the meeting timing would be 1500 hours. At this juncture, it is pertinent to point out that Article 013.3 – 'Organisation and Functions of Executive Committee' mandates that the notice for EC meetings be provided fifteen (15) days in advance. Nonetheless, the undersigned would

have still attempted to attend the meeting, but in such short notice, could not reschedule existing commitments. A copy of the emails received in relation to the EC meeting dated 11.04.2025 has been annexed herewith and marked as **Annexure E (Colly)**.

- viii. In the said EC meeting, the undersigned had been informed that the Secretary General of Respondent No. 1 was suspended by resolution dated 11.04.2025. Given that the entire EC, including the Secretary General, was reinstated by the order of this Hon'ble Court dated 29.05.2024, the undersigned advised the EC to obtain necessary approvals from this Hon'ble Court before implementing the resolution. A copy of the email sent by the undersigned dated 15.04.2025 has been annexed herewith and marked as **Annexure F**.

- ix. Pursuant to the instructions received by the undersigned, an application bearing no. CM. Appl. 27578 of 2025 was filed by the Chandigarh Horse Riders Society, updating this Hon'ble Court of the resolution dated 11.04.2025 and seeking its implementation. The applicant ultimately sought to withdraw the application and vide order dated 07.05.2025, this Hon'ble Bench rejected the application with the liberty as prayed for by the applicant. A copy of the order dated 07.05.2025 has been annexed herewith and marked as **Annexure G**.
- x. Thereafter, the undersigned has been informed that an EC meeting was held on 10.06.2025, however no intimation was received by the undersigned and therefore, the undersigned is not in a position to comment on the facts of the meeting.
- xi. As on date, the members of the EFI Secretariat, including the Secretary General of Respondent No. 1, continue to perform

their duties. However, the undersigned notes that there is a certain amount of unrest amongst some members of the EC in the continued functioning of the Secretary General, as evidenced by the earlier attempt to suspend him.

- xii. The undersigned submits that this unrest has ultimately led to certain EC members introducing a new EFI email address and an entirely new website for the Respondent No. 1. The new email has been intimated to the FEI and has been requested to be updated in the records of the FEI. For the benefit of this Hon'ble Court, it is pointed out that Article 000.2 of the EFI Statutes provides the official website of the Respondent No. 1 to be "www.efinf.org", however, a new website with the address "www.efinf.in" has been created. This has resulted in significant confusion amongst the public at large and the

undersigned requests this Hon'ble Court to immediately intervene and issue appropriate directions, as it deems fit.

2.6 The undersigned feels it is incumbent upon him, as the court-appointed Observer, to highlight certain emails received from the FEI to the Respondent No. 1 wherein the undersigned was also a marked recipient. These emails paint an unfortunate picture of the Respondent No. 1 in the global stage and must be swiftly addressed in the coming days. A few of the emails have been listed below for the ready reference of this Hon'ble Court,

- i. Email from the FEI dated 13.11.2024 containing the MoM of the FEI General Assembly 2024 wherein several adverse remarks have been recorded against Respondent No. 1. Copy of the email has been annexed herewith and marked as **Annexure H.**

- ii. Email from the FEI dated 11.02.2025, cancelling the FEI Eventing Event in Meeruut from 24 – 28 February 2025. A copy of the email has been annexed herewith and marked as **Annexure I.**
- iii. Email from the FEI dated 26.03.2025 stating that FEI officials are formally complaining about non-payment by Respondent No. 1 and as a consequence, decisions on events in India will be evaluated. Copy of the email dated 26.03.2025 has been annexed herewith and marked as **Annexure J.**
- 3. The undersigned humbly submits that the ultimate sufferers, for problems not of their making, are the young athletes. The endless bickering between the EC members have let down the years of efforts put in by these athletes in trying to represent our nation. It is also setting back the sport by several years, as the goodwill of the Respondent No. 1 is being chipped away at the global stage.

4. The undersigned submits that this a very unique sport which is quite money-intensive in nature. Therefore, careful planning of finances and scheduling of travel must be undertaken by the athletes and their guardians as well. However, the Respondent No. 1 has two different Event Calendars 2025 published, causing significant confusion to the world at large. One of the Events Calendar 2025 is uploaded on the www.efinf.org website whereas a different Events Calendar 2025 is uploaded on the www.efinf.in website. Both these calendars differ in the dates and location of events to be held. A copy of the two Events Calendars for 2025 has been annexed herewith and marked as **Annexure K**.
5. In this context, the undersigned would like to refocus the attention to such athletes and highlight certain communications received by them.
- 5.1 Email dated 04.04.2025 received from the Indian Equestrians group representing 246 EFI riders stating that last minute changes and cancellations to events will lead to substantial financial losses for athletes and clubs in India. Copy of the

email dated 04.04.2025 is annexed herewith and marked as **Annexure L**.

5.2 Email dated 25.03.2025 from Isabelle Hasleder (coach and active competition rider) stating that riders are eagerly awaiting clarity on the Event Calendar for 2025. A copy of the email has been annexed herewith and marked as **Annexure M**.

5.3 Email dated 26.03.2025 from Vinayak Shankar (father of athlete Aanya Shankar) addressing his concern for the change in event schedules and cancellation of events, which will hamper his daughter's aspiration to compete internationally for India. Copy of the email has been annexed herewith and marked as **Annexure N**.

6. It is submitted that in the opinion of the undersigned, it is essential for this Hon'ble Court to intervene and issue necessary directions to ensure stability and ease of decision making for the foreseeable future, till the pending petitions are finally adjudicated and disposed of. To that effect, the undersigned considers it necessary to conduct fresh elections for the EC of Respondent No. 1, expeditiously and, under the supervision of this Hon'ble Court. This position has also been stated in para 5.2 and 5.3 of the report submitted by the undersigned dated 17.08.2022. The undersigned also considers it

necessary that a forensic audit be conducted of the books of Respondent No. 1 for the past four terms, i.e from 01.04.2008 to 31.03.2024. This was raised by the Lt Col Sandeep Deewan, Retd. at the EC meeting held on 17.08.2024 in the presence of the undersigned, wherein he sought certain clarifications in the accounts put up for the information of the members prior to the 62nd AGM.

7. Further, the undersigned would also like to bring to this Hon'ble Court's notice, the list of major upcoming tournaments for which our athletes are intensively training to represent our nation at the highest level. The upcoming tournaments include, *inter alia*, (i) Youth Asian Games 2025; (ii) Asian Games 2026; and (iii) Youth Olympics 2026.
8. In order to ensure that the Respondent No. 1 is well positioned to assist the athletes and undertake the necessary administrative steps to ensure participation and logistical support in the aforementioned tournaments, the undersigned considers it necessary for an EoGM of Respondent No. 1 to be held at the earliest, wherein the next steps to prepare for the aforementioned tournaments are finalized and

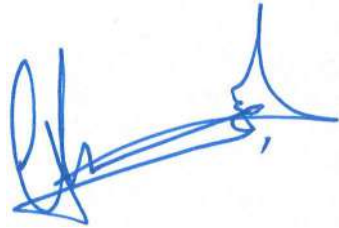

pending dues owed by Respondent No. 1 are cleared, *inter alia* towards FEI, are cleared at the earliest.

9. It is humbly prayed that the present report be taken on record by this Hon'ble Court.

I request that the meeting to start please.</p> <p>CHAIRPERSON ATHLETES COMMISSION: Sir I'll start sir I'm the voice of athlete.</p> <p>LT. COL SAMIR CHAUDHARY: I think the athlete rep should start.</p> <p>CHAIRPERSON ATHLETES COMMISSION: I being the Chairperson of Athletes Commission is the voice of athletes and wish to info you that the EC member in EC meeting did not allow us to sit. Which is legally incorrect. In the first EC meeting we had this year, we are the voice of the athletes We were unceremoniously removed from the meeting. It was due to intervention of the Learned Observer we came back. This is how the EC treats the reps of Athletes Commission i.e voice of athletes. If this is what the EC will do this how can the Federation function.</p> <p>MAJ GEN DEEP AHLAWAT: Yesterday we had an EC meeting in presence of Learned Observer . Four agenda points were approved and circulated. In my opinion we should maintain the sanctity of that. It was noted by the Learned Observer. I suggest after the proceeding are over. When the floor is open to the house we shall take your points. As we have to facilitate the athletes today. This we shall do later. So this is my request rest is upto you. Please let me finish then you can talk. I'm trying to make you understand the actual issue. I shall speak for one minute. Now that you are give so much time please give me a minute. This has been explained in a very elaborate manner. The rest part is that the so called President Sahab of Rajasthan Equestrian Association (REA) has said so. In the Hon'ble High Court of Delhi an order was passed on 10 Feb 2023..... that the age and tenure are also applicable to state Associations. Please see date carefully 10 Feb 2023 Delhi high court passed the order regarding tenure of State and District association funtioneries. Now in May 2023 REA holds it's elections when the President who is over age by four years and done multiple tenure, is back again as President. Hence contempt of court should be filled against REA and then we should ascertain if the assocaiton exists. Thereafter when I spoke with Rajasthan Government they issue a last ultimatum on 04/06/2024 to comply and was over on 04 Aug 2024. That all of you have to follow sports code. AGENDA- I

POINTS	DECISIONS / DIRECTIONS	ACTION TO BE TAKEN BY
<p>SECY GEN: Agenda number one confirmation of the minutes of the last Annual General Body Meeting held on 9 July 2023. Someone can propose, sir.</p> <p>COL R PATTU: I have an objection, sir. Before the AGM Rajasthan association had taken this matter to the court. Now the court gave this order on the 7 July 2023 para no. 7. It is further directed that only items notified in the agenda will be taken for consideration at the scheduled AGM and no unlisted items will be discussed. These are the court directions for the AGM which was chaired by honourable court observer Doctor Qureshi Sahib. In this paragraph number, page number 21, paragraph 5.7, it says the house unanimously agreed to the suggestions of Mr. Gaurav Joshi to the annual fee of state associations to Rs. 30,000. Now this is another contempt that the court specifically said that no items can be discussed or no decision can be taken other than the agenda. This is what is written in the minutes. Now, doctor Qureshi, we all know if we move to the court, he will have a bad name. So, I will request the EC should see the video should go through the court order and see the minutes. Because if the Secretary General can manipulate minutes of the Extra Ordinary General Body Meeting (EOGM) meeting which was chaired by Justice Waziri and Justice Tara Ganju has observed and said that, then should he be doing this? Can the minutes be ratified? If the minutes are ratified that means that all EC and all the members are party to this. I would request you to have a word with Dr. Qureshi and take a decision.</p> <p>COL JAGAT SINGH: I have an observation on your point since you were to give any suggestion 10 days before the AGM date to the Federation.</p> <p>COL R PATTU: My sincere apologies. Now I have the...I have with me a document which I will hand over to you sir, in which the Athletic Federation of India has given a performance report of their coaches. The coach who lives with Neeraj Chopra who gave India gold medal in the last to last Olympics and in the last Olympics silver medal he gets €8500 per month. EFI is giving €30,000 per month. and who's giving? EFI is giving. Why is EFI giving? Because. 1 second, Kirat Let me finish, Kirat,. Let me finish. First of all before Kirat says the money should be given to the coaches. There is no two ways about it. If we have bought it, it is our problem. We cannot embarrass the country. So there is no problem. I am not saying that don't give the money. Even if you have to give 2000 Euros per day please give, but then do an inquiry and who faulted? I understand Kirat that equestrian sport is expensive. That I know. I'm with you there. But I'm saying that if you are spending your own, even own money, you're careful. But once you're spending the money of the federation, you have to be extra careful. You have to follow the procedure. Why was the selection committee sacked? Who sacked the selection committee? <p>KIRAT SINGH NAGRA: This is what you keep opening up.</p> <p>MAJ GEN DEEP AHLAWAT: Kirat Just a sec. I will reply. Yes proposal had come to me and I analysed it since it is a financial matter. It was with me for a week and then I raised the observations. I received the replys. They gave their services. One coach charges 800-1000 Euro. We know it. In 2018 also we had paid 1000 Euroes. There is no ambiguity in it. Payments should be cleared. All other issues we can take care but payments should not be held up. I think we must pass this.</p> <p>LT GEN MKS YADAV: I can not understand Col Pattu point due to technical reasons. He is right on one point. While taking a decision then we should remember that their was no EC then, Only three members. Team were to be send, members were only three, people were fighting, in court due to various reasons. Favourable decision had to be taken. Hence, these three members took decision then whatever they felt was correct. We should support their decision since due to these coaches we got medals. Before this how were the coachs appointed when Col Pattu and others were also their how did you decide?</p> <p>KIRAT SINGH NAGRA: Firstly, it is a great dismay that we come for a felicitation...for our felicitation. It's a proud moment for us. We worked very hard as athletes and we are thankful for the honour to be here. But I must bring it to your attention that the Show jumping team is sitting here. That went. The hardship from a daily basis that we went through. There was no funding. We have received between other than the transport of the horses for the games and our air tickets. We have received Rs80,000 because of internal squabbling. Because complaints were made by people from this federation to the ministry which stoped our funding. It is not our fault. It is not our fault that our horses could not go from here for the games. We qualified over two years. All the athletes that went to the Asian games in all the three disciplines qualified over two years.</p>

<p>We travelled the length and breadth of this country, and still questions were asked. We were demoralised on a daily basis. There were anonymous complaints. There were complaints written. It was so sad. After two years of proving our mettle, forget me, I feel sad for these young boys who were with me and the mental trauma they went through. And one of our athletes could not... forgot the course in the Asian Games in the cross country. Because of the trauma that we went through as a whole contingent because our federation did not have our back. The whole federation means not the people who were in the seat but everybody constitutes the federation. They did not want to put their squabbles on the side and put their best foot forward to send the people forward. It is a pitiable state of affairs. Today we are here. We are here for our felicitation. We have been called for our felicitation. And people cannot stop squabbling over. There is a procedure. If you have a problem with anything that is done. There is a court of law. You cannot say today that you cannot go to a court of law. Everything that happens in this federation is before court. Everything is in the newspapers. There is enough bad infamy that this federation has drawn in the last two years. Every third day there is something in the press. So nobody should hide behind this excuse that we will not go to court or we will not have a police complaint. Or we will not do this because it will defame our federation. The federation can withstand being defamed. It will stand tall. We are all athletes are here we will make sure that this federation prospers. But the fact is, if somebody has a squabble rather than shouting, screaming, go to court. Courts are entertaining matters. . The existential matter of whether we are squarely governed by the national sports code or not, it is</p>	<p>Clapping by the members of the house .</p> <p>Clapping by the members of the house .</p>

<p>also before the court. Let the court settle every issue. Whatever squabbling has to happen even here. Let aggrieved person go to court. Who's stopping. Who's stopping anyone from going to court? But I think we are all educated people. We are all.....We competed against each other. We've had coffees together. We have that brethren, that brotherly feeling towards each other. Let us not. Let us not reduce this federation to such a low ebb. That I mean, we have daggers drawn. It is rather sad. It is extremely, extremely heart wrenching to see this. Please do pay the coaches. You can do an internal investigation, FIR, forensic. Do whatever you want. It is so embarrassing that people who left their work and came, they are trying to sue. And next time, when you want foreign coaches, when you want physiotherapists for horses and you want medical care for horses, nobody will come forward. We cannot. We cannot. We cannot. India has such a bad name internationally that we do not honour our promises. It is rather unfortunate. Let's try forget what's happened. I'm not saying forget. You want to take course to law. Take recourse to law. File complaints, file criminal complaints, file forgery actions, no problem. But the fact of the matter is at least internationally do not bring disrepute to people who are going on behalf of this federation, on behalf of this nation.</p> <p>COL R PATTU: Whatever Kirat has said I agree with him. He is correct. It is actually very, very humiliating for an athlete to face these kind of challenges which these people have faced. I was also removed. Kirat you were lucky that you went. I was kicked out, humiliated, insulted. 1 second. 1 second, 1 second. So if what you are going through I also will do the same thing. So don't think I am not an athlete. And what I am trying to say is General MKS Yadav pointed out that there was no EC. Well, who removed the EC? Did the High Court remove the EC? 1 second. Sir.</p>	<p>Clapping by the members.</p>

<p>secretary general or he a member of the executive or anything commits a criminal offense, then I don't see him how he has authority of the federation for the federation to defend him in that offence. I am pointing to a slide which says offense, criminal offence committed by previous committee member Colonel Dahiya which is again an offense of perjury for which the offense was being registered and before the magistrates court at this moment. So I am saying that did he have the authority of the federation to commit that offence? Was he under instructions to commit that offence? And if he did so, he did so in his personal capacity and why should he be defended with federation money?</p> <p>LT GEN MKS YADAV: But tell me one thing while he was something on the EC. He was part of the official committee of EC in that if somebody puts a criminal case against him I think in all fairness EFI will have to defence.</p> <p>LT COL SANDEEP DEWAN: You know the law. Nobody can put a criminal case against you.</p> <p>KIRAT SINGH NAGRA: Anyone can put a criminal case against anyone. But I think on a case-to-case basis it should be ratified by the AGM on a case-to-case basis. You cannot have a case of moral turpitude equated with the case of perjury and they're two different things. They're interpretational. If it's a police complaint for theft you cannot equate it with an action of perjury in a pending matter. Each matter has to be taken on its own merits and all of these issues can be taken and put before next AGM.</p> <p>SECY GEN: [UNCLEAR 01:25:00- 01:25:19] It was clarified if any member of EC of the Federation faces legal action then, legal expenses will be taken care by the EFI. <p>COL R PATTU: I have one point sir. Sir, [UNCLEAR 01:27:43] The main crux was who will approve the agendas. Now voting is taking place sir. As NSDCI reps of clubs who are raising their hands, they do not have a vote. Only State Association can vote. Whatever decisions you wish to take that is not the problem. There is no problem whatsoever. You guys are in the majority you can take whatever decision you want. Tomorrow when the court case gives judgement and the voting rights goes back to the state association all the decisions can be again revisited. Right?</p> <p>COL TARSEM SINGH: One issue which we are not covering are the High court cases. The EC had decided that Mr Gupta Sanjay will settle some cases outside the court and some cases will be decided to be withdrawn, so that should also be discussed. Why are we spending so much money on those cases? Parties are mutually withdrawing cases then why are we spending money on that.</p> <p>COL JAGAT SINGH: We too have filled a few cases which we may withdrawn as per our discussion in the EC meeting.</p> <p>SECY GEN: As you are aware Director General Foreign Trade based on our recommendation issues an import permit to our members to import horses. We issue a recommendation letter. A policy for import of horses was prepared and approved by EC in 2020 and at the AGM held on 23 Mar 2022 it was approved. The data of last one year is flashed. (attached at appx S)</p> <p>LT COL SANDEEP DEWAN: There is one point What is raised. It is regarding giving of NOC. Now the NOC... giving of the NOC to import a horse also which was an item which was given free of cost. Now federation is charging Rs 25,000 which is highly, highly objectionable and this was also brought out by me before the executive committee yesterday and not only that for a person to represent abroad for 250 it is arbitrarily made 500 dollars. Which federation has the money?</p>	<p>No objection raised by any member.</p> <p>Members of the house started laughing</p>

This matter has been discussed in the AGM of 23rd March 2021. There was a member from the shooting federation. He brought out how much money they pay to Federation for various purposes. It's own record. This is in our minutes too. Every Federation have their own rules to generat income. Government is also supporting such parties leading to financial self sufficiency.</p> <p>LT COL SANDEEP DEWAN: Does self-sufficiency mean that you become....</p> <p>SECY GEN: The names of people whom we have given are flashed. Last year we got import duty expemption. We have issued CDEC certificates. Therein another project in pipeline and has been taken up i.e horse is categorical as equipement and not an athlete. Equipment is saddle, bridle, stirrup iron, stirrup leather, bits, jumping set. {attached at appx T} On these 5-6 items are under custom duty expemption certificate. We are taking up a case to increase the inventory of these items. Hopefully this will be cleared by next year and then all these will come to India without custom duty.</p> <p>COL R PATTU: Sir, my compliment to the federation for this, but how I would like to tell secretary general, horse is considered to be an equipment as per the sports code.</p>	<p>The house ratified the proposal.</p>

<p>SECY GEN: We shall have this anomaly rectified by Govt. Their is another case we shall take up with the Govt. Draft is ready. That every state through central government and state government an equestrian facility to be created like in Bhopal, Madhya Pradesh Equestrian Academy and shall be handed over to State Association. It should be the state of art. If central government and state government do it together. So there is one facility in every state. As per sports code we are trying to help state association in every way. A list of athletes who were issued with CDEC was flashed. (attached at appx U) With the help of a donor we have got a software made. (attached as appx V) now everything will be done throughout this software, Registration, renewal, athletes registration its very cumbersome process, first you print then check it etc. No funds of Federation have been expended. Clubs will use this software to perform all functions. This software has inbuilt check, like renewal of registration, age etc. Everything will be done through it and lots of email communication will reduce. It will be through this everything will happen. We have send it to clubs. Now that the season is started we shall implement the software in a phased manner.</p> <p>COL JAGAT SINGH: Only for Olympic discipline. Athletes who have represented India shall not pay NOC charges.</p> <p>COL TARSEM SINGH: Why not tent pegging?</p> <p>COL JAGAT SINGH: That is not an Olympic discipline.</p> <p>COL TARSEM SINGH: We can make it, it is a heritage sport. <p>whether they approve not approved. Go to court. These are not issues that should be discussed at this stage. No, but then if it is open. AGM is about [UNCLEAR]. The body is what makes this meeting. What is this? If you look at athlete. I would like just take two minutes. Please stand up. Those who represented India. Please stand up. How many of these people are represent India? Okay, thank you. Now, how many of them are in the executive committee. How many of them are in the EC two?</p> <p>LT COL SANDEEP DEWAN: What is the point.</p> <p>MR IMTIAZ ANEES: We need people who are...[UNCLEAR 01:54:51-01:55:06] because you bring up points that are absolutely irrelevant. Let me give you one of your points. You said selection committee works. Ye coaches kisne select kiya. You know how much. How much dilemma was on one of these coaches? Rudolph is not an ordinary coach. He's a coach of the German team and we've got him on Indian team. It's not [UNCLEAR] Tenders were sent. Selection was made. Whatever's cost effective. Lot of procedures were taken into place. So let's leave that out.</p> <p>[UNCLEAR 01:55:33-01:56:08] I have come back after s many years. Simple things There is no stewards. There is no warm up arena. Technically that's what we need to be discussing to promote this sport not to promote about [UNCLEAR] this is were growth is, coaching camps, training centres. [UNCLEAR]</p> <p>KIRAT SINGH NAGRA: The present EC members have been stake holders and managing the sport for the last three decades. Lot of them have been managing the sport for the last three decades. So when you talk about changing the management nothing changes. It's just new people.</p> <p>CHAIRPERSON ATHLETES COMMISSION: International Olympic charter says that a person can be in executive committee or in an elected post for a maximum 12 years. We do not have anything here.</p> <p>COL R PATTU: Give me two minutes. You and me started our international events together. We represented India in Australia 1991. Yes?</p>

<p>COL R PATTU: General sir what they are saying is correct. But what he does not understand is, He is an Olympian, he is Asian medallist, he is a superb coach, he is a good friend of mine. So I have nothing against him. He is doing a yeoman service. Right? But what I am trying to tell him is that all national sports federations are supposed to be governed by NSDCI and NSDCI has created the sports code and I tell you why? Dear Col. Jaiveer Singh,

We hope this email finds you well.

We are contacting you as we have been notified that Officials appointed in Delhi (January 2025) and Meerut (February 2025) have not yet received their outstanding payments. As stated in the attached letter, we kindly remind you that all outstanding payments must be settled by 30 March 2025 for upcoming Eventing Competitions to proceed. Failure to do so will result in their cancellation.

We trust that you are taking the necessary steps to resolve this matter and look forward to your update.

Subject: Cancellation of the FEI Eventing Event in Meerut (IND) 24-28 February 2025

Dear Col. Singh,

Further to our previous email communications dated 30 January, 4 February, and 5 February 2025 regarding the outstanding payments for FEI Officials at FEI Eventing Events, we regret to inform you that the required payments, specifically for Per Diems and VISA application costs, have not been received within the stipulated deadline of 7 February 2025. As previously communicated, the approval and execution of the upcoming FEI Eventing CCI1*-Intro, CCI2*-S, and CCI3*-S in Meerut (IND), scheduled for 24-28 February 2025, were contingent upon the timely settlement of these payments.

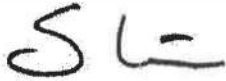

As the deadline has now passed without receipt of the necessary funds, we must proceed with the cancellation of the Event and its removal from the FEI Calendar. Officials will be notified accordingly, and we kindly request that you inform all relevant stakeholders at your earliest convenience.

Additionally, for future Events to be approved, we require that costs incurred by Officials who officiated at the January 2025 Event in Delhi, as well as any expenses already incurred by the Officials appointed in Meerut, such as VISA application fees or other related costs, be paid by end of March 2025, as previously discussed. Furthermore, for all other upcoming FEI Eventing Events, costs related to Per Diems, VISAs, and Flights must be fully settled at the latest 30 days before the start of the Event. Failure to comply with these requirements will result in the cancellation of the respective Events.

We sincerely regret the necessity of this decision and understand the impact on athletes and the broader equestrian community in India. However, adherence to FEI financial and regulatory obligations is essential to maintaining the integrity and sustainability of international equestrian Events.

Should you require any further clarification, please do not hesitate to contact us. We remain committed to the development of Eventing in India and look forward to resolving these issues to facilitate future successful Events under FEI regulations.

Yours sincerely,

Sabrina Ibañez

Dear Harish,

You can rest assure that our priority is to look after the sport and its stakeholders, including but not only the Athletes.

Indeed the situation regarding the management of EFI it is not only long due (at least to our knowledge since 2019!) but it is lately impacting considerably the work of the FEI, its Staff and also FEI Officials that keep on (still to date) complaining formally to us about not receiving payments in due time despite their many requirements to EFI; which is completely unfair to them.

We continue evaluating, as you well know, all different aspects regarding the current management of EFI, not only the legal ones, and we shall take a decision about the events in India in 2025 shortly.

Kind regards,

Francisco

Dear EFI Officials,

We have gotten together as athletes, coaches and club managers in regards to the **EFI calendar 2025/26**.

With the undersigned clubs and coaches we are representing **246 EFI riders accross India**.

As the EFI calendar was released in February 2025, athletes made their participation arrangements accordingly. Last minute cancellation of events will lead to substantial financial losses for athletes and clubs and will diminish the interest of the sport in India.

Our requests are given from an athletes perspective, forming the backbone of this sport. **Leading up to ACC & Asian Games & Youth Olympics in the next 16 month** the below topics need to be addressed with utmost priority:

1. We shall be grateful if a number of **events like CSIs, CDIs and CCIs** can be hosted between April and September in Bangalore, due to the favourable weather conditions prevalent in Bangalore during these months to host equestrian events. This would benefit the **preparation of the riders for upcoming international championships**. Further from September till April the calendar can be spread accross the country as it has been followed over the previous years.

2. A good number of FEI events are a necessity for the development of international level athletes as well as to adopt higher standards in terms of facilities and horse welfare. Please consider that many of the athletes who are striving to represent India at an international level are between 15-25 years old and may not be able to move abroad for extended periods because of studies and high costs involved.

We feel that **6-8x CSIs** (min 3x in North & 3x in South) and **6-8x CDIs** (min 3x in North & 3x in South) along with the **CCIs** shall be held throughout the year additional to the FEI World Challenges. The equal allocation of the shows in the North as well as the South Zone is important to provide growth opportunities and reduce the need of transporting the horses all over the country.

3. Leading up to ACC & Youth Olympics & ASIAN Games within the next 16 month it is of utmost priority to announce and confirm:

A) International Shows in India

B) Selection process

C) Travel procedures and options to reroute horses from India via Europe

4. Qualification criteria as well as classes and format for NECs (JNEC, Show-Jumping, Eventing, Dressage) - there have been several changes in the past 2 years and athletes need to have clarity in order to take part in 2025 Championships.

It would be for the benefit of all involved to release a draft and request for feedback from clubs, coaches and athletes before finalizing & releasing it. The current version of the NQ Guidelines and Technical Rules include several points which should be updated for the benefit of the athletes.

5. Venues and Organizers for Events. In the last few years new centers have been developed to an international standard and hosting of shows shall be done at the **most suitable centers (climate, ground conditions, organizing team) who are willing to host these competitions in accordance with FEI Standards.**

It is important that the Nationals & International shows are planned well in advance and scheduled keeping sufficient rest time and reduced transportation for the horses in mind. The development of independent competition circles in different regions should be looked at.

Looking forward to a positive response from you at the earliest.

Thank you in the name of 246 EFI riders accross India who are actively competing in India.

Dear EFI Officials,

We got to know that there might be changes to the Equestrian Calendar 2025 and we wanted to share our athletes perspective on the same:

As a coach and active competition rider it is really important to have several FEI competitions in a season, because this gives the right exposure to the riders who are looking to make the step in the international equestrian scene.

The Calendar for 2024 has been appreciated by our team (I am speaking here for 12 National level Riders from CEC). 2024 was full of international competitions and also well planned for horses in South, North as well as the opportunity to move to different locations and competitions based on the season.

In order to grow talented Indian Riders it needs:

1. Exposure with frequent competitions (preferably FEI competitions for the higher level riders)
2. Organizers and competition grounds on FEI standard - which is growing but still quite limited accross India.
3. Corporate Sponsors. Worldwide the best riders have private as well as corporate sponsors. For Indian riders it is still extremely difficult to find sponsors, because of lack of international competition results and also most shows cannot attract a larger audience.

We are hoping that the EFI takes on an approach which focuses on growing international level equestrian athletes in India before sending them to Europe to compete in International Competitions.

There are very limited organizers and clubs accross the country who have the resources, grounds and are willing to grow the equestrian sport in future. Conducting international shows with high price-money can certainly encourage more and more athletes to grow their performance in the sport.

I would like to list out the competition locations which have hosted great National and International shows in the last few years:

1. Modi Equestrian Academy (North)
2. TARC Equestrian (North)
3. APRC (North)
4. RVC Meerut (North)
5. SESA (North)
6. Embassy International Riding School (South)
7. Surge Stables (South)
8. Red Earth (South)
9. ASC (South)
10. ARC Mumbai
11. MPSEA

We are looking forward to participate in many show in 2025 and are eagerly awaiting confirmation of the FEI shows.

While planning out high profile competitions please also keep in mind the welfare of horses and organize shows in South and North India equally (or plan them season wise to make transportation of the horses over a longer period possible).

Further to the calendar we are requesting clarity on QUALIFIERS FOR ACC AND ASIAN GAMES in India. In Dressage only 2 Trials (both North India) were conducted up to now.

We are looking forward to your support and an athlete as well as horse focused approach.

Thank you
Isabelle & CEC Athletes

Respected Sir,

I am Vinayak Shankar, my daughter Aanya Vinayak has the aspiration and ambition to compete internationally for India in the next few years. Aanya began riding at the age of 4 and only now at the age of 12 has she decided to start competing this year. Her first competition took place during the first week of March 2025 at The Red Earth Riding School, Auroville, where she won a 2nd and 3rd place in Dressage.

In regards to the calendar 2025 we had made training plans as well as arrangements for the horses as per released calendar in February 2025 which includes a high number of FEI events in South India to provide the young athletes an international exposure.

We have been training for many years and invested substantial funds for developing our child in this sport. We are dependent on events hosted in India which are also vital to receive recognition for college and university.

As the calendar 2025 was released earlier, it worries us that there is a discussion that events will be changed or cancelled which means that training plans, travel plans and funds allocated must be changed at a short notice.

We are looking forward that the decision makers in EFI support the ambitions and growth of upcoming athletes and follow a well in advance planned calendar especially leading up to ACC and Asian Games.

We are looking forward to the final confirmed calendar.

Thank you,

Yours Faithfully
Vinayak Shankar
