POLICY STATEMENT

Sponsorship and advertising agreements may be entered into if they are consistent with the values, purpose of equestrian sport and the objectives of the Equestrian Federation of India vis a vie its Constitution and Statutes and derive benefits for the sport and those participating in it.

This policy is designed to maintain confidence in the sport's activities by ensuring commercial sponsorship and advertising arrangements are undertaken in an open, transparent, fair and responsible manner.

SCOPE & APPLICABILITY

This policy applies to:

- Equestrian Federation of India
- All 3rd party natural and legal persons and entities whether involved or not with the sport of equestrian
- All Members of Equestrian Federation of India
- EFI Committees and bodies
- Interested and Potential Partners of EFI
- Formalised Partners & Sponsors of EFI
- The policy does not apply to donations or grants.

All sponsorship and advertising arrangements made or renewed from _____ 2021 must comply with the requirements of the policy, unless it is not possible contractually, in which case, such arrangements must be made compliant as soon as practicable

INTEGRAL GUIDING PRINCIPLES

The principles of sponsorship and advertising integral to EFI management are:

- Integrity of EFI and its associated members and committees
- Alignment with EFI priorities
- Appropriate acknowledgement
- Appropriate activity
- Appropriate association
- Appropriate authorization
- Ethical behavior and fair dealing
- Open and effective competition
- Effective management and reporting

EFI Roles and Responsibilities

Roles and responsibilities are assigned on the basis of the value and sensitivity of the sponsorship or advertising proposal.

The responsibility of the Sponsorship Committee consisting of Chairman-Vice President (Adm), Secy Gen and Treasurer of EFI includes:

- To consider all sponsorship and advertising proposals against the requirements of this policy and procedures.
- Gain the agreement of the Sponsorship Committee for any proposal considered acceptable in terms of this policy, prior to its acceptance.
- Document all processes locally and register all incoming sponsorships valued at more than INR _____
- Document instances where the potential sponsor or advertiser is a friend, relative or business associate and declare this conflict of interest ¹to the others involved.

¹The definition of conflict of interest is to be followed as per article 158 of general regulations of FEI.

- Seek endorsement of the sponsorship by the Sponsorship Committee of EFI, if
 - it involves naming rights, or
 - is the first of their kind for the sport; or
 - involves significant events; or Sponsorship and Advertising

DEFINITIONS & TEMRINOLOGY

Sponsorship and advertising are often confused. They are different activities, which can be differentiated by the following:

- Control - in advertising there is considerable control over the content, timing and positioning of advertisements. In comparison, sponsors have less control over the management and conduct of the sponsored activity or event.
- Function - advertising is used to elicit a positive response and to create consumer preference. Sponsorship indirectly contributes to company, brand or product awareness.
- Message - the advertising message is explicit, informative and persuasive. The sponsorship message is indirect, and is designed to improve image or build identity.

1.1 Sponsorship

Sponsorship is a commercial arrangement involving the right to associate the name, products or services of a sponsor with EFI events, activities, athletes, associations etc in return for negotiated benefits in cash or kind.

Incoming sponsorship refers to cash and/or in kind that is received by the EFI and its recognized associations, entities, members in exchange for an agreed benefit and form of recognition for a business or other body.

1.2 Advertising

This is the direct promotion of a company through space or airtime purchased from EFI or the sport for that specific purpose. This includes advertising, such as on event location, notice boards, equipment,

Publications and Internet sites, corporate-sponsored materials or corporate- sponsored contests and incentives and inclusion of material in newsletters. Advertising may be incoming, e.g. where a local business pays to advertise in the EFI newsletter, or outgoing, e.g. where the EFI pays to

place an advertisement in a newspaper, magazine or the like.

1.3 Naming rights

This is a form of sponsorship where a major sponsor, in addition to the rights and benefits of sponsorship, has negotiated the right to have the name of the sponsor added as a prefix to the EFI event name or facility etc.

1.4 Donation or Gift

These forms of support impose no obligations on the receiver and offer little or no return to the donor. Tax deductions can also be claimed under Section 80 Income Tax Act. A donation or a gift is not a sponsorship as it has no service orientation.

1.5 Endorsement

This means the support, approval or recommendation of a product or service, to the potential exclusion of others.

1.6 Fundraising

This means activities to raise funds, by the EFI for the sole benefit of sport or EFI activities or purposes.

1.7 Grant

This is money or goods provided by a government or other agency to a recipient, with the understanding there will be a defined outcome. A grant is not a sponsorship.

1.8 Product endorsement

This is a sponsorship or advertising arrangement that involves the EFI acting on behalf of a company to sell, recommend or endorse a company's products or services.

PRINCIPLES AND PROCEDURES

a. Alignment with EFI priorities

Sponsorship and advertising must not detract from the strategic goals of

the EFI and must demonstrate consistency with the principles of this policy and align with the priorities of EFI.

b. Appropriate acknowledgement

Appropriate acknowledgement is a condition of all sponsorship agreements. The form of acknowledgement to be given to a sponsor should be documented in the sponsorship agreement.

Where the contribution of the sponsor to events or assets is minor compared to the level of EFI funding invested, the recognition afforded to the sponsor should be in proportion.

When the EFI are providing sponsorship they should ensure that the sponsored organisation provides public acknowledgement of that support. The prominence of that acknowledgement should be in proportion to the value of the sponsorship provided.

Display/Usage of EFI IP's, logos and marks:

Whenever the EFI IP's, logos and marks is displayed as part of a joint acknowledgement or promotion, the emblem or logo must be of similar or greater size to that used by the commercial partner as per guidelines ***Annexure1 (EFI IP USAGE GUIDELINES) of the Brand Protection Guidelines as well as have been reproduced as Annexure 1 hereof.***

c. Appropriate activity

Sponsorship and advertising must maintain or enhance the public profile of the sport.

➤ **Unacceptable sponsorship or advertising activity:**

- Sponsorship or advertising in which the involvement of a commercial sponsor or advertiser could reasonably be seen to diminish the profile of the sport and EFI.
- Sponsorship or advertising conflicting with the core business of the EFI (i.e. provision of equestrian based services).
- Sponsorship or advertising that is not consistent with the equity policies of the sport of equestrian.
- Any outgoing sponsorship that conflicts with events and initiatives of EFI.
- Participation in any venture that compromises the sport and its participants and/or their parents'/guardians' privacy, including

providing personal information about athletes, parents/guardians, staff or other members of the sports community to any organisation not authorised to access this information.

➤ **Permissible sponsorship recognition:**

- Public notices, via newspaper, radio, television or any other form of public media.
- Appropriate editorial material, simple acknowledgment or a by-line or foreword from the sponsor in EFI enews or the like.
- Plaques, pictures or other notices at events or at the place of business of the sponsor.
- Lists of sponsors in newsletters and the Annual Report.
- A letter of appreciation to the sponsor.
- The name or logo of a commercial partner on sport signs or uniforms.
- A sign indicating the name and/or logo of the sponsor, for the duration of a sponsored activity, or for an agreed period of time. The location, prominence and design of such a sign must be tasteful and respectful of the cultural values the sport.
- Naming rights of events, equipment, materials or facilities, subject to appropriate approval.
- Attendance of a representative(s) of the sponsor at sport functions and the opportunity to make an address or present awards at such functions.
- Acknowledgement in speeches.

d. Appropriate association

Sponsorship and advertising agreements must only be negotiated with organisations whose public image, products or services are compatible with the ethos, values and purpose of the sport and EFI. By accepting or giving sponsorship or advertising, the EFI is sharing its reputation with that of the sponsor or advertiser.

➤ **Unacceptable sponsor or advertiser organisations:**

- Produce products that may be potentially harmful to the health of participants, such as tobacco or alcohol.
- Have a public reputation that conflicts with the values of the sport and EFI, such as those associated with questionable corporate practices or those associated with discriminatory attitudes (e.g. racist

or sexist attitudes).

➤ **Unacceptable sponsorships and advertisements:**

- Are contrary to the ethos, values and purpose of the sport and EFI.
- Are discriminatory, obscene, or degrading.
- Incite people to commit illegal acts or violate sport rules.
- Promote or condone alcohol consumption or drink driving by young people.
- Portray violence, undue aggression and menacing or horrific elements likely to disturb children and young people.
- Are otherwise objectionable or offensive.

➤ **Other considerations -**

Care should also be taken before accepting sponsorship and advertising from any person or organisation that is:

- A competitor to an existing sponsor, if it is contrary to an agreement with the existing sponsor, or likely to jeopardise the existing sponsorship.
- A competitor to an existing provider.
- A friend, relative or business associate of a EFI committee member. In such cases, the decision-maker must declare the conflict of interest and, if practical, withdraw from the decision-making process and pass the decision to another person. If it is not practical to withdraw, the conflict of interest must be declared to the others involved.

e. Appropriate authorisation

Sponsorship and advertising must follow the authorisation and management processes required by this policy and its procedures. Sponsorship and advertising activities within EFI can only be undertaken with the agreement of the Sponsorship Committee, following consultation with them on the proposal.

Sponsorship Committee must, through the EFT's Secretariat forward a sponsorship and advertising proposals for assessment and endorsement, when the proposal:

- Is in excess of INR _____(net); or
- Has the potential to be controversial; or
- Involves naming rights; or
- Are the first of their kind for the sport; or
- Involves a national or international level event; or
- Has a state-wide implication; or
- Involves outgoing sponsorship in excess of INR _____

f. **Ethical Behaviour and Fair Dealing**

To ensure the sports/athletes confidence in sponsorship and advertising processes, all involved must act ethically and fairly.

Sponsorship Committee members must:

- Ensure their private interests do not conflict with their sport committee duties.
- Not accept or seek gifts or other favours.
- Not entertain approaches from sponsors or sponsorship recipients that might be interpreted as attempts to influence any selection process.
- Maintain confidentiality in their dealings
- Maintain high standards of accountability
- Apply systems and procedures that ensure an equitable, efficient and effective approach to sponsorship and advertising.
- Comply with all relevant laws and regulations including but not limited to:
 - i. Advertising Standards Council of India's Code for Self-Regulation ("ASCI Code")
 - ii. Consumer Protection Act, 2019

- iii. Central Consumer Protection Authority Guidelines, 2020
- iv. The Cable Television Networks (Regulation) Act, 1955
- v. Cable Television Networks (Amendment) Rules, 2006
- vi. Press Council of India Act, 1978
- vii. Cigarettes and Other Tobacco Products Act, 2003.
- viii. FEI Code of Ethics and applicable statutes and the laws of the sport of Equestrian applicable to the EFI.

If there are any doubts about the ethics of a sponsorship or advertising proposal, the test is whether or not the arrangement would withstand critical EFI and public scrutiny. Relations with corporate sponsors need to be conducted in a transparent manner and be able to withstand EFI's scrutiny so as to preserve sport trust.

➤ **Provision of goods in-kind -**

Instead of money, some sponsors or advertisers prefer to provide goods or services, otherwise known as in-kind items. This may include air/train tickets, travel, equipment, press, radio and television coverage, as well as food, beverages and other consumer goods. This practice is acceptable provided:

- Parties agree on a fair and justifiable value for the items.
- The value of the items is included in the total value of the sponsorship or advertising agreement.
- Benefits are for the organization and not the individuals organising the sponsorship or advertising.
- Processes are properly documented and managed.
- Accountability is maintained.

f. Open and Effective Competition

- Sponsorship or advertising opportunities should usually be publicised so as to be fair to all potential sponsors or advertisers, and to ensure that a reasonable price is obtained and sport confidence in the process is promoted.
- To avoid any allegations of impropriety, sponsorship and advertising

agreements must be developed in a transparent, open and accountable manner.

- When seeking sponsorship or advertising, competitive processes should be used.
- Where an unsolicited offer of sponsorship or advertising is received, the EFI may wish to use a competitive process where there are other providers of similar products or services in the market place. This could be achieved by calling for expressions of interest or sending a letter to known competitors. It is important to protect the commercially valuable ideas and strategies of the organisation or individual that proposed the original offer. Commercially sensitive information should be protected, because it is the property of the initiator of the proposal.

g. Effective Management and Reporting

Sponsorship and advertising arrangements should be confirmed by a written agreement, reported and recorded as required and evaluated annually, as well as prior to renewal.

- **Agreements** -Sponsorship and advertising agreements should clearly state the rights and benefits being offered, agreed payment terms, the obligations on each party and be signed by the General Manager. For arrangements of low value or complexity a letter, receipt or local document may be used.
- **Reporting** -The Chairman of Sponsorship Committee must be notified of all incoming sponsorships valued over INR _____. This includes sponsorships in-kind, involving goods or services that should be valued according to an estimate of the price the sponsor would usually charge for them. In such cases the sponsor can be asked to provide an estimate of the value as it relates to in-kind or provision of goods and services for the purposes of the sponsorship.
- **Recording** -Records of all sponsorship and advertising agreements should be kept locally, and reported on monthly via Secretary General of Committee meetings and associated minutes.
- **Evaluation** -Sponsorship and advertising agreements should be evaluated annually, for their effectiveness in achieving outcomes for the sport and the sponsor alike. This process will help the sport in their event and activity planning process for the upcoming year from a sponsorship perspective.

ENFORCEMENT

a. Against 3rd Parties

- While this Policy is meant to be directive in nature, it is not exhaustive of the circumstances that may arise.
- EFI prefers direct personal contact to bring infringing situations to an end by speaking to the business in question, explaining why the specific situation is problematic and seeking cooperation in solving the issue. In more serious cases, where there is a clear intention to take a free ride on the goodwill vested in the event and the public excitement surrounding it, EFI may need to engage in judicial body/ court proceedings under applicable Indian Law to halt an infringing situation and to claim financial compensation for the damages suffered.

b. In the event of infringements by EFI Members

- Enforcement and remedial measures provided for in the EFI Constitution may be adhered to by the EFI including action by General Assembly for **removal, suspension, termination** basis a report of the **Dispute Resolution & Disciplinary Committee or even further onto certain civil-criminal proceedings thereafter.**
- The committee will, after calling for all relevant records and facts and after giving reasonable opportunity to the parties, will render its reasoned decision within a maximum period of **sixty days**.
- If a party continues to be aggrieved, it shall be open to that party to file an **appeal** against the committee's decision before the Executive Committee within a period of **thirty days** from the date of the aforesaid decision.
- The decision of the Executive Committee, thereafter, will be final and binding on the parties.

CONTACT

As such, please do not hesitate to contact the Secretary General EFI should you require further clarification of any aspect of this policy or to clarify any matter that may not be specifically covered herein.

INTRODUCTION

Equestrian Federation of India (EFI) is the sole authority of governing equestrian disciplines in India. The EFI is a registered body under Societies Registration Act XXI of 1860 and recognized by Ministry of Youth Affairs & Sports (MYAS), Sports Authority of India (SAI), Indian Olympic Association (IOA) and Federation Equestre Internationale (FEI) as the sole National Sports Federation for equestrian disciplines in India. Since 1967 the development of equestrian sport in India has been guided and promoted by the country's governing body, the Equestrian Federation of India founded by a group of people driven by a mutual passion for horses and equestrian sport.

OBJECTIVE OF THE GUIDELINES& IMPORTANCE OF BRAND PROTECTION

EFI being the NSF for the sport of Equestrian disciplines in India, EFI has all the commercial rights to exploit its Intellectual Properties and for Equestrian disciplines events as Sanctioned by the EFI or by the FEI held within the territory of India.

EFI is obliged to take action against any unauthorised reproduction of its marks in a commercial context. If EFI did not follow up on any infringements of its trademarks and copyrighted works, it would risk losing its legal right and title to such works, thereby endangering the foundation of its commercial programme.

Protection of Rights Holder's Rights

Due to the substantial cost of staging equestrian events, EFI would not be able to organise the same without the significant support of its Commercial Affiliates and partners. They make vital financial contributions to ensure that events can be staged and revenues generated for the requirement of various programmes necessary for development of Equestrian can be met with.

In return for this vital support, EFI rights holders are guaranteed an association with the EFI, especially through the right to use the EFI IP's (e.g. the Official Emblem and the Official Marks etc) in their promotions and advertising. EFI's Commercial Affiliates will only invest in the EFI programmes, competitions, events etc if they are provided with this exclusivity for the use of the marks and for any other kind of association to the event.

If anyone could use the EFI IP's for free and create an association with the EFI there would be no reason to become a Commercial Affiliate and as a result EFI would be unable to secure the funding necessary to stage the event. Therefore, EFI is obliged to act when non-affiliated entities do not respect

EFI's intellectual property and conduct activities that commercially associate with the EFI. This would mean that EFI could not appoint any Commercial Affiliates and would therefore not receive the revenue required to maintain the high standards expected and to meet the Vision and Objectives of the EFI.

Association Principles

The EFI is committed developing the sport of equestrian in India and with that aim associating with partners through formal agreements to exploit EFI IP's keeping in mind the below principals:

- Integrity of Equestrian India and its Committees
- Alignment with Federation priorities
- Appropriate acknowledgement
- Appropriate activity
- Appropriate association
- Appropriate authorisation
- Ethical behaviour and fair dealing
- Open and effective competition
- Effective management and reporting
- Roles and responsibilities are assigned on the basis of the value and sensitivity of the sponsorship
- or advertising proposal

Therefore, investing time and resources to protect the brand and Intellectual Properties of EFI is of paramount importance to EFI in order to secure the revenue streams which fund EFI's equestrian and social development initiatives including but not limited to its men's, women's and youth competitions, events and any related projects.

SCOPE& APPLICABILITY OF THESE GUIDELINES

These Guidelines sets out and outlines the master do's and don'ts vis a vie the EFI Intellectual Properties with an aim at protecting the revenue streams for the development of the Sport of Equestrian in India and apply to the public in general and include without limitation:

- All Individual Members, State/Union Territories Associations, Institutions, Clubs and Units Members of the EFI
- All 3rd party natural persons and legal entities associated with the EFI
- All Stakeholders of Equestrian, related entities, committees, State Equestrian Federations in India Equestrian in India, associated Equestrian Committees in the country; and
- Regional or local sub-committees of all such Equestrian Committees and Organising Committees

OFFICIAL EFI INTELLECTUAL PROPERTY

EFI's has developed and shall protect an assortment of logos, words, titles, symbols and other trademarks which it will use, or allow others to use under a formal agreement ("EFI IP").

- Trademarks in Logo and Emblem

- Word Marks as below:

EQUESTRIAN FEDERATION OF INDIA

CAUTIONARY NOTICE

Notice is hereby given that Equestrian Federation of India , is the sole and exclusive owner of all rights in the following marks, insignia and artistic works concerning the Sport of Equestrian in India ("EFI IP") .

Any use of the EFI IP for promotional, advertising, merchandising or any other commercial purposes requires the prior written authorization of EFI and is otherwise prohibited. EFI has the full right to take legal action against unauthorized use of any EFI IP.

In light of the above EFI respectfully requests that individuals, entities, organising committees and businesses:

- Refrain from using, manufacturing and/or importing any products featuring and/or embodying the EFI IP or using same in connection with any services without obtaining prior authorization from EFI
- Report any unauthorized use of the EFI IP to EFI via efiindianf@yahoo.co.in.

UNAUTHORIZED USE OF THE ABOVE RIGHTS SHALL RESULT IN CIVIL AND CRIMINAL PENALTIES INCLUDING WITHOUT LIMITATION, FOR COPYRIGHT AND TRADEMARK INFRINGEMENT AND PROSECUTION UNDER THE INDIAN PENAL CODE.

TARGETING SOME PROHIBITED ACTIVITIES OF AMBUSH MARKETING & COUNTERFEITING

Ambush marketing can be defined as prohibited marketing activities which try to take advantage of the huge interest and profile of an event by creating a commercial association and/or seeking promotional exposure without the authorisation of IP Owner/Official Rights Holder/Event Organiser and such other official rights holder.

Such prohibited marketing activities can be of a direct or indirect nature.

A direct association is established when a brand tries to link itself directly to the event, be it through advertising or promotions such as ticket giveaways, use of the tournament designations, etc. An indirect association aims to achieve an association with the event without making a direct link, often implementing creative campaigns aimed at achieving a link to the event.

Marketing activities by non-sponsor companies that seek to take advantage of the huge public interest in the event through physical on-site presence can also be categorised as prohibited.

The common denominator of such prohibited marketing activities is that they primarily seek free advertising.

The reason that EFI considers prohibited marketing as a priority in its brand protection work is that it puts EFI's commercial programme directly at risk by trying to devalue official sponsorship.

Companies engaging in prohibited marketing fail to appreciate that the EFI programs are a result of EFI efforts to develop and promote the tournaments, events and programs, something which would not be possible without the financial support of EFI's Commercial

Affiliates. Ambush marketers try to take advantage of the goodwill and positive image generated by the EFI without contributing to its organisation.

Counterfeiting - EFI commercial programs also encompass a licensing programme which gives a wide range of licensees the opportunity to produce Official Licensed Products bearing EFI IP's. However, there are also companies that seek to produce items featuring EFI IP's without purchasing the required licence. Such products are defined as counterfeit products.

On gaining awareness EFI is obliged to take corresponding action, including any legal measures at its disposal, to bring the activity to a halt

HOW TO CELEBRATE THE SPORT WITHOUT CREATING UNAUTHORISED ASSOCIATION – FAIR PLAY

There are legitimated ways to celebrate the sport without using the Official EFI IP's or creating an unauthorised commercial association with the EFI. Activities that create an undue commercial association are not permitted and are subject to legal measures. Such undue commercial association is established when a company, entity, person etc makes it appear as if it is associated with EFI – for example, by using the Official EFI IP or in another way creating an impression that it is a EFI Rights Holder i.e. : a sponsor or licensee. To avoid promotional activities infringing EFI IP's or other commercial rights we suggest seeking independent Legal advice.

EXAMPLES Of USE

(Non Exhaustive)

To assist third Parties to avoid any unauthorised commercial association with the EFI below are a few non exhaustive examples of the Do's and Don't's. The examples attempt at covering all forms of print and digital media including but not limited to print, tv, web, mobile, games, apps and social media.

MEDIAL	DO'S& Don'ts (Indicative)
Print & Digital Media – Editorial	<p>Event / Play Reporting as part of legitimate editorial and news.</p> <p>Not to use EFI IP's as a integral/repeated/stand lone basis in the layout.</p>

Commercial Use	May not be used in proximity to Company logo or in conjunction with words such as "brought to you by..."," presented by...", "sponsored by ..." Etc.
Social Media	
Posting images of EFI IP	Reasonable and not excessive posting of EFI IP's so as to create impression of association by fans and followers without any commercial intent
Retweeting or Sharing	Reasonable and not excessive retweeting and sharing of EFI IP's so as to create impression of association by fans and followers without any commercial intent
Hashtags	Usage of EFI IPs in Hashtags is permissible without any Commercial intent
Mobile/Internet Services	Use of content and EFI IP's is strictly not permitted with any commercial intent. Editorial/General Descriptive news is permissible without creating an impression of association with EFI and also such platforms shall not use the EFI IP's so as to suggest endorsement by EFI such use of EFI logo,s words marks etc.
Domain Names/URL/Hyperlink	Use of EFI IP's in Domain names, hyperlinks, URL is not permitted without granted rights.
Websites (Look and Feel)	EFI IP's are not permitted to be used as a part of the overall layout and look and feel of entity websites as it may create an impression of association and endorsement by EFI.
Blogs	Official IP used in editorial blogs, reporting or commenting on EFI events and competitions without any commercial content or advertising is generally acceptable as not creating any commercial association

Business Adverts	Use in Commercial advertisements by non-associates in NOT Permissible
Business Names	EFI IP's cannot be a part of unauthorised Business Names
Instore Decorations	In Store Decoration with generic Equestrian mentions and collaterals are permissible as it does not create an association or impression of endorsement of EFI however EFI IP's shall not be incorporated
Merchandise	Merchandise with generic Equestrian mentions and branding are permissible as it does not create an association or impression of endorsement of EFI however EFI IP's shall not be incorporated
Competitions/lotteries/games	NOT Permissible
Ticket promotions	Use of EFI tickets for promotions etc unless permitted by EFI is NOT Permissible
Match schedules	Editorial and Non Commercial Reproduction of EFI Event Schedule is permissible if it is not for commercial use

The above table comprises of non-exhaustive list of examples and are only meant for indicative illustrations. Any actual infringement is subject to scrutiny and assessment by EFI in the interest of EFI Brand Protection.

COMMUNICATION, ENFORCEMENT & SURVEILLANCE

COMMUNICATION

- First and foremost, EFI tries to increase awareness regarding the Official Marks that enjoy legal protection as well as on the restrictions that apply in relation to commercial association with the EFI
- Upon detection of an infringing situation, EFI's brand protection team assesses the most effective way of quickly bringing the situation to an end, without having to resort to disproportionate enforcement actions.

SURVEILLANCE

- This refers to EFI team carrying out physical checks all across event locations to easily identify and effectively deal with marketing activities that focus on the physical presence of non-sponsor companies in and around event sites against prohibited marketing activities around the stadium, unauthorised traders, counterfeit goods and ticket touts and
- EFI published request to ask that local businesses commit to fair play with regard to EFI and its Commercial Affiliates in their activities that seek to profit from the high number of visitors without engaging in prohibited marketing.

ENFORCEMENT

- EFI prefers direct personal contact to bring infringing situations to an end by speaking to the business in question, explaining why the specific situation is problematic and seeking cooperation in solving the issue.
- In more serious cases, where there is a clear intention to take a free ride on the goodwill vested in the event and the public excitement surrounding it, EFI may need to engage in court proceedings to halt an infringing situation and to claim financial compensation for the damages suffered.

CONTACT INFORMATION & HOW TO GET INVOLVED& ASSOCIATED

As per the Constitution of the EFI, the EFI has a right to raise funds, sponsorship, license fee, capitation fee etc. from interested parties who wish to be associated with the EFI. In general, there are various opportunities for entities or individuals to benefit from and get involved with EFI other than by way of Sponsorship or Licensing such as:

1. Providing various event services:

FUNDS DISBURSMENT GUIDELINES (DISBURSEMENT GUIDELINES)

INTRODUCTION

Equestrian Federation of India (EFI) is the sole authority of governing equestrian disciplines in India. The EFI is a registered body under Societies Registration Act XXI of 1860 and recognized by Ministry of Youth Affairs & Sports (MYAS), Sports Authority of India (SAI), Indian Olympic Association (IOA) and Federation Equestre Internationale (FEI) as the sole National Sports Federation for equestrian disciplines in India. Since 1967 the development of equestrian sport in India has been guided and promoted by the country's governing body, the Equestrian Federation of India founded by a group of people driven by a mutual passion for horses and equestrian sport.

OBJECTIVES OF THE EFI

These Guidelines sets out and outlines guidelines to be followed by the EFI and its authorised representatives with regard to the disbursement and allocation of **revenues, funds, inward amounts received by EFI by way of Sponsorships, donations, CSR (Funds)** with an aim at furthering the following objectives of the EFI as per the EFI Constitution for the development of the Sport of Equestrian in India:

- To achieve a high standard of equestrianism in the country by improving the standard of Indian riders through infrastructure development, proper planning of EFI calendar to conduct various regional/national/international competitions as per FEI/EFI rules and organise coaching camps for athletes of various disciplines, clinics/seminars/courses for various officials to establish a robust frame work of athletes, officials , organising committees and other support staffs at grass root level to produce top class athletes to represent the country at international level.
- To establish the Equestrian Federation of India as one of the most reliable medals winning National Sports Federation of the country by winning maximum medals possible at Asian Games, World Equestrian Games and Olympic Games.
- Overall Objectives of EFI include:

- o To encourage and develop Equestrian sport in Olympic/FEI disciplines and Equestrian sport peculiar to India and Asian region and improve the standard of performance of Indian riders in various international events.
- o To promote interest in riding, breeding of required type of horses, their training, every day care, veterinary, control and medication.
- o To establish and publish rules and regulations for conduct of National Events and events peculiar to Asia region. All events in general will be governed by FEI/EFI rules.
- o To allot, approve programmes for equestrian competition held under the aegis of EFI in India and exercise control over their technical organization and actual conduct.
- o To encourage holding of competitions, provide technical know-how and promote highest standard of organization.
- o To organize coaching camps, clinics in judging, course designing, technical delegate, steward and veterinary control of all equestrian disciplines approved and recognized by FEI/EFI.
- o To organize training and appoint adequate number of judges, course designers, technical delegates, stewards and veterinarians in various equestrian disciplines in order to get them empanelled with FEI.

6.4 Each Nomination Paper shall be delivered personally to the Returning Officer in person by the candidate himself / herself or by registered post before due date from (Day — 3 e.g. 15th December to (Day-6 e.g 17th December) between 11.00 AM and 1.00 PM.

6.5 No person shall be eligible to be nominated for more than one candidate for the same post, either as proposer or seconder; and, if he so does, his / her signature on the nomination papers delivered second in point of time to the Returning Officer shall be deemed to be inoperative.

6.6 No person shall be permitted to withdraw his / her name as proposer / seconder, once the nomination paper subscribed by him / her has been delivered to Returning Officer.

6.7 As soon as may be after 1:00 P.M. on (Day — 7 e.g. 19th December), the Returning Officer shall prepare a list of all nominations received by him, post wise, in **Form 3**; and publish the same in a conspicuous place in his office.

7. **Scrutiny of Nominations.**

7.1 On (Day-8 e.g. 20th December), at 11:00 A.M., the Returning Officer shall scrutinize each nomination paper, one by one, received by him, and determine its validity or otherwise.

7.2 As soon as it may be after the scrutiny of all nomination papers has been completed by him, the Returning Officer shall prepare a list of valid nominated candidates in **Form 4**.

8. Withdrawal of candidatures.

- 8.1 Each candidate whose nomination has been found valid on scrutiny shall be entitled to withdraw his / her candidature, from (Day – 8 e.g. 20th December) to upto 1:00 P.M. of (Day-10 e.g. 22nd December).
- 8.2 Notice of withdrawal of candidature shall be submitted in **Form 5**, either by the candidate himself / herself or by a person duly authorised by him / her in writing.
- 8.3 Notice of withdrawal of candidature shall be final and shall not be allowed to be cancelled.
- 8.4 The Returning Officer shall accept the notice of withdrawal if he is satisfied as to the genuineness of the notice.
- 8.5 As soon as may be after **11:00 AM** on the (Day 11 e.g. 23rd December), the Returning Officer shall prepare the final list of contesting candidates in **Form 6**, display a copy of the said list in conspicuous place and on Federation's Website.
- 8.6 The names of the contesting candidates in **Form 6** shall be arranged, for each post, in alphabetical order according to English alphabets.

9. Uncontested Returns; and Contested Elections.

- 9.1 Where the number of contesting candidates for any post or category of post, in **Form 6** is equal to the number of posts to be filled, all such contesting candidates shall be deemed to be duly elected unopposed to those posts, and it shall not be necessary to take a poll for election to such post.
- 9.2 Where the number of contesting candidates for any post or category of post, in **Form 6** is more than the number of posts to be filled, a poll shall be taken by secret ballot for those posts remaining unfilled.
- 9.3 The ballot papers for these posts remaining unfilled shall be in **Form 7** to **Form 13** to be made individually for each post.
- 9.4 The names of contesting candidates on the ballot papers shall appear in the same order as in **Form 6**.

10. Poll.

- 10.1 The Poll for the Posts remaining unfilled under clause 9.2 above shall be taken post-wise, on (**Day 16 – e.g 28th December**) and shall commence after the AGM / EOGM at the Agenda item Elections, at (**Venue of the Elections**).
- 10.2 At the Poll, each authorised representative of Member States / Union Territories / Institutions / Clubs, whose name is included in the Electoral College list **Form 1**, shall be entitled to :-

- 10.2.1 cast one vote for each of the post remaining unfilled, where only one such seat is to be filled.

- 10.2.2 cast as many votes as are the no. of seats to be filled for any post, where more than one seat is to be filled.

Explanation: It is hereby clarified that for the purpose of filling three seats of Vice-Presidents, each voter can cast upto three votes, and, like-wise, for two seats of Members of Executive Committee, he / she can cast two votes respectively for the above mentioned and two seats of Members of Executive Committee.

- 10.3 In case any voter casts his / her vote for more than one candidate, or for more than four or five candidates, as the case may be, his / her vote for that post shall be invalid.
- 10.4 Each voter shall be required, before he is supplied with a Ballot paper, to give his / her signature on the authenticated copy of the Electoral College list in Form 1 used by the Returning Officer for taking the poll.
- 10.5 The voter shall record his / her vote on the ballot paper in secrecy in a voting compartment specially provided for the purpose at the polling station.
- 10.6 The voter shall record his / her vote on the ballot paper by placing a tick mark (✓) against the name of the candidate of his / her choice, and any other mark, like (x) etc. or word, placed on the ballot paper by him / her shall render the ballot paper liable to rejection.
- 10.7 The tick mark (✓) to indicate the vote shall be placed by the voter only by means of article specifically provided for the purpose by the Returning Officer, and a ballot paper marked otherwise by means of any pen, ball point pen, etc. by the voter shall render the ballot paper liable to rejection.
- 10.8 The ballot paper marked by a voter shall be deposited by him/her in a ballot box specially prepared and sealed by the Returning Officer and placed at such a conspicuous place in the polling station that it shall be constantly visible to all present in the polling station.
- 10.9 The Returning Officer shall close the poll at the appointed hour; however, all those voters who are present at the polling station at the appointed closing hour shall be entitled to vote even if the poll proceedings have to be continued for some more time.
- 10.10 After all the voters referred to in sub-clause (9) have voted, the Returning Officer shall close the ballot box and shall not permit thereafter any person to vote.
- 10.11 Polling will be done in below order: -
- 10.11.1 President
 - 10.11.2 Secretary General
 - 10.11.3 Treasurer
 - 10.11.4 Vice-Presidents
 - 10.11.5 Joint Secretary
 - 10.11.6 Member EC

11. Counting of Votes.

- 11.1 The Returning Officer shall take up the counting of votes as soon as may be after the polling for any post is complete.
- 11.2 The Returning Officer shall take up the counting of votes, post-wise and category wise, where applicable.
- 11.3 Each ballot paper on which vote has been recorded in accordance with sub-clauses (10.3) to (10.8) of clause (10) shall be treated as one vote for the candidate for whom it has been validly marked; and if any ballot paper has been marked in violation of any of the aforesaid provisions of sub-clauses (10.3) to (10.8) of clause (10) shall be rejected by the Returning Officer.
- 11.4 The votes validly cast for each of the contesting candidates shall be counted post-wise, and category-wise where applicable, and recorded in the descending order of the votes so cast for each candidate in **Form 14**.
- 11.5 The Returning Officer shall thereafter ascertain the result of counting and, subject to the provisions of Rule 4 (a) (II) of the Rules, the candidates who have secured the maximum no. of votes in the said descending order, post-wise and category wise, where applicable, equal to the no. of seats to be filled for each post or category of posts, where applicable, shall be deemed to have been duly elected to those posts.

12. **Declaration of Results.** The names of contesting candidates who shall be deemed to have been elected at the election in accordance with sub-clause (11.5) of clause (11) shall be declared as having been duly elected to their respective posts, by the Returning Officer at the Annual General Meeting (AGM) / Extra Ordinary General Assembly (EOGM) in the **Form 15**.

EFI POLICY : RECOGNITION OF STATE/UT EQUESTRIAN ASSOCIATION

1. All State/UT Equestrian Association to be voluntarily affiliated and recognized by EFI should mandatory follow all rules and regulations on the subject issued by EFI.
2. The development of Equestrian Sports is the priority of EFI.
3. The EFI has been from time to time taking various steps and initiatives to promulgate good governance practices in the management of equestrian sport at various levels in pursuance of successive National Sports policies. These policies are based on basic universal principles of good governance of Sports movement and do not in any manner intend to interfere with the autonomy of the State/UT Equestrian Association in discharging their functions and duties.
4. The State/UT Equestrian Association may be registered in different states under the Societies Registration Act or the Companies Act and must be recognised by their State Olympic Association (SOA). Their authority to function as a State/UT Equestrian Association shall be dependent on compliance with EFI Statutes, rules and regulations.

Introduction.

5. The EFI attaches utmost importance to growth and development of Equestrian Sports for excellence in India. It has been endeavor of EFI to lay down procedure for effective coordination among various agencies involved in the promotion of Equestrian Sports and extend required infrastructure, training, other facilities to the sports persons for achieving excellence in the international events.
6. An emphasis on professionalizing and upgrading the administrative and financial management of State/UT Association.
7. Recognition of the role of sports promoters particularly in event management.
8. Each State/UT Association will have minimum 50% district association which are functional. These district association shall be formed through Institution/Club/Unit members who are involved in equestrian activity if any on voluntary basis to enable such State/UT Association to be considered for EFI's annual recognition. These affiliated Institution/Club/Unit members will function directly under EFI for all technical issues. In case the State/UT Association are derecognized by NF or in case where no State/UT Equestrian Association exists, these will function under EFI for all non-technical issues also.

Objective of Guidelines

9. The objectives of these guidelines are threefold: -
10. Firstly to define the area of responsibility of the various agencies involved in the promotion and development of sports.
11. Secondly, to identify State/UT Equestrian Association eligible for coverage under these guidelines, to set principles and to detail the procedures to be followed by State/UT Equestrian Association to avails EFI's assistance and recognition.
12. Thirdly, to state the conditions for eligibility to receive EFI's recognition.

Role and Responsibility of the EFI with reference to the State/UT Equestrian Association.

13. The rules and responsibility of the EFI involved in implementation of the guidelines are as follows:
 - (a) to determine the eligibility condition for recognition of State/UT Association.
 - (b) to determine quantum and scale of assistance to State/UT Equestrian Association.
 - (c) to lay down conditionalities which each State/UT Equestrian Association will have to follow if they wish to avail EFI's support and recognition.

- (d) to provide financial assistance to State/UT Equestrian Association for growth and development of Equestrian Sports in their State/UT respectively.

Recognition of State/UT Equestrian Association.

14. The purpose of this is to ensure that State/UT Equestrian Association maintain certain basic standards, norms and procedure with regards to their internal functioning, which conform to the high principles and objectives laid down by the EFI.

15. A new system of recognition is required for all State/UT Equestrian Association wherein they are required to submit detailed documents for grant of recognition attached as **Annexure I** which would get automatically renewed in the subsequent years subject to submission of prerequisite documents as mentioned in **Annexure II**.

ROLE AND RESPONSIBILITIES FOR RECOGNITION OF STATE/UT EQUESTRIAN ASSOCIATIONS**1. Introduction**

- (a) It has always been the policy of EFI to support and encourage the voluntary organizations for development of equestrian sports in the country.
- (b) Over the years, a flexible and federal structure of autonomous Institution/Club/Unit and State/UT Association bodies has already emerged for various disciplines of Equestrian sports.
- (c) Generally, sports body at State/UT level (hereinafter referred to as Association) should have volunteer District Association which in turn should have Institution/Club/Unit member with voting rights affiliated to it.
- (d) A few State/UT Association have already been recognised by the EFI for the development of equestrian sport in each case. They are yet to deliver with reference to growth and development of equestrian sport in their State.
- (e) Informally, the criteria for recognition of such Associations were based on experience gained in the process over a period of time to make it successful.
- (f) The present Guidelines are being issued, with a view to codify the requirements for granting recognition at the discretion of the EFI to these State/UT Equestrian Association.

2. Nomenclature and Meaning.

- (a) The Guidelines shall be called "The Guidelines for Recognition of State/UT Equestrian Associations".
- (b) Recognition shall mean recognition of the leadership of the Association in the growth and development of Equestrian sport in the State.

3. Eligibility to apply as State or a Union Territory Association .

- (a) The Association should have a legal status as a voluntary registered body, not being a proprietary concern or partnership firm and should exist and function for the sole purpose of the development of equestrian sports whose name it bears.
- (b) The Association should have an exhaustive written Constitution in unambiguous terms providing for its efficient functioning, in particular, election of office bearers, truly representative character of the General Body, protection of the interest of players, promotion of the sport, maintenance and audit of accounts, moving of no confidence resolutions etc.
- (c) The Association must have actively existed for more than five year on the date of application for recognition. Its various business meetings, as required under its Constitution, should have been duly held.
- (d) At the time of applying for recognition, the Association should have atleast 50% district association affiliated who are involved in equestrian activity and have voluntarily affiliated Institution/Club/Unit members with Voting Rights in quota of its functioning.

- (e) The tenure of office-bearers shall be for one term of four years. Each member of the Executive Committee, shall assume office on the following day of the conclusion of the Annual General Assembly in which the elections were held for the particular appointment and will hold office for a term of 04 years or till the next Annual General Assembly, whichever is earlier. All members of the Executive Committee except the President, Secretary General and Treasurer may serve a maximum of two consecutive terms at a time followed by a cooling off period of 02 years before being elected again to any post in the Executive Committee. Govt employees seeking to hold elective office in the State/UT

Association will comply with the guidelines promulgated by the Central/State Govt on the subject. In case of President, Secretary General and Treasurer the following conditions will apply with regard to re-elections.

- (i) The President can hold the office for a maximum period of twelve years with or without break i.e. three terms.
- (ii) The Secretary General and the Treasurer may serve a maximum of two successive terms of four years each after which a minimum cooling off period of four years will apply to seek fresh election to either post.
- (f) No office bearer of State/UT Equestrian Association shall hold office simultaneously, in any other National Sports Federation or any other State/UT Sports Association.
- (g) The State/UT Association should have the accepted mercantile system of accounting. The accounts should be maintained properly and audited annually by a registered Chartered Accountant.
- (h) The State/UT Association should have conducted, unless exempted for technical reasons, 3 RELs and Local Horse Shows for the three years preceding the year in which recognition is sought. These competitions should be organised as per EFI Rules.
- (j) The voluntary membership of the Association should be confined to the corresponding institution/clubs/units/ district units of their State who shall have the right to vote in any of the Association's meetings. Membership shall also be extended to individual/life members but without voting rights.
- (k) Institution/Club/Unit members affiliated with EFI shall form district association and only these district associations shall be affiliated with respective State/UT Association if they choose to do so.
- (l) At the State/UT level, there will be only one recognised Association for all five disciplines of equestrian sport of EFI. Only the duly recognised State/UT Association would be entitled to assistance as admissible from EFI. Only one State/UT Association from each State/UT shall be admitted as a member of the Federation, provided it has a minimum of 50% district association which are functional and involved in equestrian activities with Institution/Club/Unit members voluntarily affiliated to it while each affiliated Institution/Club/Unit member shall have a right to cast vote in the General Body Meetings of district association, no other class of Member(s) shall have any right to vote, in the Association's meetings. The option of Institution/Club/Unit members to join a District Association to form a State/UT Equestrian Association rest with them. In case they do so, then they cannot vote in EFI's Elections..
- (m) The State/UT Associations are required to intimate EFI well in advance about its General Body Meeting and other Meetings where election of office bearers and other important decisions are to be taken. Wherever considered necessary, the EFI will have the right to send its observer to the above meetings. The election guidelines notified by the EFI will apply. (Annexure-.....)
- (n) The State/UT Association shall update their accounts immediately after completion of the financial year and bring out annual report covering salient features of their activities during the year. The Association shall appoint a practicing CAG approved Chartered Accountant to audit their accounts. The records and accounts of the Associations will be accessible to the EFI and these shall have to be produced as and when asked to do so.
- (o) The State/UT Associations must hold a General Body Meeting at least once in a year and election whenever due for the functionaries completing their stipulated tenure of four years or in case of demise or resignation will be conducted.

- (p) The State/UT Association shall comply with all conditions laid down in these rules, including anti-doping code, prevention of age fraud code, citizenship criteria for selection of national team, prevention of sexual harassment, etc.

4. Application.

- (a) The Application for recognition should be submitted in duplicate in the prescribed proforma given at **Annexure I** and **Annexure II** for subsequent recognition. All the columns of application should be filled up in all respects. Attested/ True copies of all the required documents must be enclosed.
- (b) All other material information relevant to the issue of recognition should be submitted along with the Application. Nothing should be concealed which, if revealed later, would render the Association liable for cancellation or withdrawal of its recognition.

5. Granting of Recognition.

- (a) Recognition of a State/UT Equestrian Association shall not be a matter of right and shall be purely at the discretion of the EFI who may grant recognition subject to such terms and conditions as it deems fit.

6. General.

- (a) All correspondence shall be made at the address of the State/UT Association, as mentioned in the Application. Any change of address shall be promptly notified in writing to the EFI.
- (b) The Association shall abide by all the Rules of EFI as issued from time to time.

Dear Sir

Please find below our / rider points -

- It is our strong suggestion that dope testing should be carried out for all medal winners across all classes at the National events and across all disciplines . This will ensure clean and fair sport and will be in the welfare of the horses.
- We last few months have written number of mails where we have shared our thoughts / suggestions but to our dismay most of our mails have not been acknowledged and responded to . After a while we also do get discouraged and feel there is no point on writing as voice of athletes not being heard .

Kind regards

AC

Resignation from EFI

From: P R Venkatesh (prvenkatesh51@gmail.com)

To: efiindianf@yahoo.co.in

Date: Thursday, 3 March, 2022, 05:22 pm IST

Dear EFI Secretariat,

1. I was indeed honoured to be the Vice President (Veterinary) and an Executive Committee member of EFI since Jul 2018. I have seen the Federation pass through various phases, be it the ecstatic celebrations of the glorious 18th Asian Games wherein our athletes came home with two silver medals and the agonising phases when the Federation fished through troubled waters with numerous court cases, restrictions imposed by the Hon'ble High Court on its effective and distinguished functionaries and further appointment of an observer to oversee the functioning of the Federation.

2. Despite superannuating in Jul 2021, I was requested to continue with the organisation to facilitate its day to day functioning, formulation and finalisation of the Selection Criteria for the selection of teams for 19th Asian Games including conduct of trials as required to be held in a time bound manner, irrespective of the hurdles and road blocks faced.

3. More than six months have lapsed since I superannuated, and now I feel that certain personal requirements necessitate my undivided attention so as to prioritise my family commitments. My elder daughter is married and settled in United States and I intend to visit her too this month and spend quality time with them which was not possible earlier due to service constraints, honorary engagements and the raging COVID pandemic for the last two years.

4. Since my availability would be limited, I would not be able to contribute significantly towards the affairs of the Federation. I would like to request the EFI to accept my resignation from the post of Vice President (Vet) and relieve me of the vested responsibilities bestowed, during this period.

5. It has indeed been a wonderful experience working constructively and unanimously. I am sanguine that your contributions and sagacity will improve the horsey sport. I have adequate reasons to believe too, that your efforts and indulgence will definitely take the Federation to a loftier levels in order to achieve higher standards.

6. I, once again would like to thank and express my gratitude to each Executive Committee member for the unconditional support and co-operation extended to execute and overcome the challenges and tasks that has come our way.

7. I pray to the Almighty to give each one of you good health, prosperity and success in all future endeavours.

8. Please do let me know if I could be of any assistance at any point of time.

Thanking you

Jai Hind

Lt Gen PR Venkatesh, PVSM, SM (Retd)
Vice President (Vet) and Officiating President
Equestrian Federation of India

**INVESTIGATION INTO THE PARTICIPATION OF THE NEPAL TEAM
IN THE ITPF WCQ 2021**

Sir,

1. I, on behalf of my own self, Col SS Solanki, Col JS Maan, Col Abhijit Goswami and Mr Kevic Setalvad (members of the former Inquiry Committee), wish to bring to your notice, the reports in the e-newspapers that were published on 16 and 17 Mar 2022 which have evidently been done following a press briefing by the Secy Gen EFI on the matter of the subject inquiry. In respect of the report, I wish to bring to your notice the following.

2. Times of India (TOI) 16 Mar 2022, 1733 IST. PTI Report in the News Nine Channel 17 Mar 22, 1:24 PM and United News of India Report 17 Mar 22, 3:13PM

(a) Links to all three reports are being shared with this email, for your perusal please.

(b) The headlines in the first two reports state: EFI suspends four riders, two others **for impersonation scam** during ITPF World Cup Tent pegging qualifier.

(c) The Secy Gen is quoted in the TOI report as having stated: "The committee on thorough investigation recommended certain actions which we have carried out. We have no role to play in the incident ..."

(d) This statement is in reference to the very first para of the report that says: "The EFI has unanimously decided to suspend six individuals, including four riders, for two years after an inquiry committee found them guilty of an impersonation scam to represent the Nepal team at the Tent Pegging World Cup Qualifiers held in March last year." The exact same information is reflected in the PTI report.

(e) The UNI report also reflects the above contentions and statements of the EFI.

3. We make it clear that we have NOT found the four riders guilty of any impersonation or any wrongdoing whatsoever. A plain reading of the Report demonstrates this. Any action taken against the four riders on the basis of our Report is not only contrary to the findings of the Report, but is also a gross misrepresentation of the facts and of what the Report actually states.

4. Additionally, the Report has passed stringent observations in respect of the ad hoc and arbitrary functioning of the EFI and its office bearers and Executive Committee members and has recommended that immediate corrective steps be taken. To therefore contend that – "We have no role to play in the incident" is incorrect. Notably, the EFI had taken note of our recommendations and had also sought to appoint us as a Committee to suggest the manner in which the loopholes and inadequacies be plugged, vide an email dated 7th February 2022.

5. It is evident from the minutes of the EC meeting held on 06 Feb 22, that the sealed report of the Inquiry Committee was opened in the presence of all present including your good self and, Dr SY Quraishi, the learned observer appointed by the Hon'ble High Court, Delhi. It is stated in the minutes that the report of the Committee (which is a detailed report running into more than 35 pages excluding the annexures that run into more than 1500 pages) was scanned and 'flushed on the screen', based on which, the house decided to serve show cause notices to the four riders besides Mr Ahmad Afsar and Col Tarsem Singh.

6. We take strong exception to the aforesaid misrepresentation of facts and the contents of our Report. We understand that the Report has not yet been made public. The contents of the Report are being withheld from public scrutiny and misrepresented. These misrepresentations of the contents of the Report are being widely publicised in the media. Findings in the Report as published in the media are being attributed to us, to which we take very strong exception.

7. We request you to take immediate and appropriate steps to present the true picture by making the entire Inquiry Committee's report public, including by placing it on the website of the EFI within 72 hours of receipt of this communication, failing which we shall, most regrettably and much against our wishes, have no choice but to make the contents of the Inquiry Committee's report public, including by circulating it to the media and the general public.

Respectfully,

Col Rakesh Nair (Retd)

Dear General Venkatesh and respected members of Executive Committee, Selection Committee, Media & Publicity Committee, Advisory Committee, Bid Evaluation Committee, Membership Screening Committee, Dispute Resolution & Disciplinary Committee and Athlete Commission,

1. Please refer to the AGM notice of Equestrian Federation of India posted on EFI Website on 24 Feb 2022.
2. I would like to submit the following points and would kindly request you to please have them as agenda points for the forthcoming AGM to be held on 27th Mar 2022 at Defense Services Officers Institute, Delhi Cantonment.
 - a) How can minutes of AGM held on March 21, 2021, be posted on the EFI website before being taken up as agenda item No. 1 at the AGM on March 27, 2022? Article 009 of the EFI Statutes lays down the functions and powers of the General Assembly. Clause 1 invests the power to approve the Minutes in the AGM. How can the Minutes be posted on website before such approval? If anything, it must be shown as Draft Minutes, open to correction.
 - b) When on February 24, 2022, sending the Notice of AGM to be held on March 27, 2022, Secretary-General has not annexed his report (Agenda No. 2). Article 009.4 of the EFI Statutes lay down that the General Assembly must receive, discuss and approve the Annual Report submitted by the Secretary-General? How can the AGM be expected to discuss and approve his report without having had the adequate time to reflect on that? If the Audited Statement of Accounts for 2020-21 can be appended as Appendix A, why is not the Secretary-General's report appended as well?
 - c) One of the biggest shams perpetrated on the equestrian fraternity was the decision to field some Indian riders as part of the Nepal team. An Inquiry Committee report has been cited as the basis on four riders, EFI EC Member (Tent-Pegging) and Show Secretary have been suspended by the EC for two years. EFI must share the report of the Inquiry Committee, said to have been submitted on February 5, 2022, with the members of the General Assembly. The members have the right to know the procedure followed. Were the accused athletes and official given the chance to cross-examine witnesses? If the Secy Gen Col Jaiveer and the Joint Secy were accused and were found guilty and therefore EC had to give them a counselling, should they not be asked to step down from the post of Secy General and Joint Secy?
 - d) The Minutes of EFI EC meeting of February 24, 2022, indicate that the EC has decided to warn seven individuals for non-cooperation with the Inquiry Committee. What was the basis for this decision? Isn't non-cooperation worthy of a greater penalty?
 - e) The Minutes of EFI EC meeting of February 24, 2022, suggest that the EC has decided to the issue counselling to the EFI Secretary and Joint Secretary. What exactly does this entail? Can we have details? Who will provide the counselling? And who decided who will be authorised to do the counselling?
 - f) Can we have a list of Indian riders who have participated in overseas events and secured NOC from EFI? What is their level of performance in these events? (FEI database has 796 athletes registered as Indians). The annual statement of accounts mentions NOC Fee from Outside Agency. Who chose the 'Outside Agency'? What is the procedure followed?
 - g) Whose decision was it to invest EFI money in UTI Mutual Funds?
 - h) Does EFI give away prize money to athletes at its events? Can you share the details of athletes who received the prize money?
 - i) With the Financial Year 2021-2022 coming to an end on March 31, 2022, four days after the AGM, what is the point of presenting a proposed budget?
 - j) Justify the doubling of Establishment expenses from Rs 4.82 lakh to Rs 10 lakh.
 - k) How much rent is paid under the head Office Maintenance/Rent and to whom?
 - l) Can you please give break up of cost to conduct events in India and 'Abroad' as it has risen from Rs 42.10 lakh to Rs 1.70 crore.

- n) How do you propose to spend the Rs 20 lakh budgeted for Media and Publicity in 2021-22, a 10-time rise from the budgeted (but not spent) Rs 2 lakh in 2020-21?
- o) In the last AGM, it was brought to your notice as to how a EC member has used EFI letter declaring his son to be an athlete. In response to this matter, EC came up that this issue is time bar. May I kindly be educated that under which rule this matter cannot be investigated?
- p) Is the Equestrian Federation following all the laid out guidelines of NSDCI- 2011? If not, please justify the reason for each violation?
- q) During 2014 AGM, page no 10 of the minutes, para 10.3, Col Rohit Dagar had proposed that all Selection Committee members must have a Individual Medal to be eligible for the post. The house had agreed to the proposal unanimously. The same has not been amended. Can we have a discussion on the eligibility of members on various committees?
- r) It is requested that live Streaming of the AGM to be done for the benefit of all the members who are unable to attend the AGM.
- s) Can the members be apprised about how the selected horse for the Asian Games quarantine in India before flying to China? Has the quarantine facility been approved by China and AEF?
- t) Why do we want to spend or rather waste the money on a PR company? In any case EFI is in the news all the time, is that because of the PR Company? If not then, we should improve our governance and not employ a PR company for a false propaganda
- u) How many horses have been imported by the riders in the last three calendar years?
- v) IOA downgraded the EFI in Dec 2018 for not following the Olympic charter. What actions have we taken to be upgraded from a non voting member to a voting member?
- w) IOA has taken a very serious note of the participation of Indian riders as Nepalese, has the federation forwarded the inquiry report to IOA along with the decision of EFI?
- x) It may please be clarified if all decision of Selection Committee are required to be ratified by the EC?
- y) It may please be clarified if all decisions of EC are required to be approved by the AGM?
- z) As per the AGM balance sheet, EFI has not been paying for the electricity and for the consumption of water. Can the information be shared as to who has been paying for these utilities on behalf of EFI?
3. Looking forward to a healthy discussion on Equestrian Sport during the AGM.

With warm regards,

Col Rajesh Pattu, SJRP, VSM, Retd

1- As EFI member and an active competing athlete, I submit the following important points for discussion (to be kindly read out / circulated for context and benefit of all present) and voting at the upcoming AGM on 27th March 2022 regarding **'Certificates for Placing at NEC for top three placed riders'**

2- The NF has refused to issue Certificates of Placing to the top three placed athletes in NEC 2021 (and by same logic NEC 2022) if they fail to obtain the MER for medals- a point raised several times with NF / EC since revision to technical guidelines when the MER for medals was revised upwards

3- The best riders in the country at a given time would place in the top three places in the National Championship. If these athletes fall short of the MER for medals as established by the NF, that just means the level of riders / horses at that given time is not where the NF would like it to be in terms of MER for medals. In this case one can either debate the MER for medals as being realistic or not in the context of the state of the sport in the country at a given time, or debate the need for athletes / riders to improve to match the MERs, but in either case, **the fact remains that the athletes / horses placed in top three positions are the best combinations at a given time in the country, and ought to be rightfully recognised for their performance by giving certificates for placing to honour their hard work and encourage / inspire them for future**

4- When the NF was reminded that the top three placed horses at these events were given rosettes, and rightly so given the partnership between horse and rider is key to their combined performance, instead of recognising the logic that the other partner ie the rider be also recognised with a certificate (even if they failed to win a medal due to falling short of MER for medal), instead the NF in the past has argued that the top three placed horses be also deprived of their rosettes. While the horses continue to get rosettes when their riders aren't given medals, the riders have not been given NEC certificates nor has there been any indication for the same

5- Not giving the athletes certificates for being placed in top three positions at NEC amounts to saying the effort made by them all year round to train under harsh conditions, perseverance shown in overcoming injuries for both horses and riders common in this support, costs incurred in pursuing this expensive sport at the highest level in the country, and the risks taken to be part of this sport all stand 'Null and Void', just because these athletes did not meet the MER for medal- **no reasonable person would support the above, nor would they have an alternate view that suggests any downside in recognising an athlete's achievement**

7- To conclude, there can be no logic to deprive the top three placed athletes the recognition they deserve for their performance regardless of their percentages / penalties at the most prestigious event of the year i.e. National Championships. I urge all members at the AGM to help correct this injustice to riders and support the issuing of Certificates of Placement to all placed athletes at NEC 2021, NEC 2022 and going

forward. Please note even the language of the certificates for NEC says a person is "placed" and not that the person has "earned a medal", since the two are mutually exclusive

Regional Shows

From: kirat nagra (kiratnagra@gmail.com)

To: efiindian@yahoo.co.in

Date: Tuesday, 22 March, 2022, 02:08 pm IST

Dear Sir,

As an athlete and a parent of two athletes, I would like to take this opportunity to raise the following issues which are time sensitive and need to be addressed appropriately:

A. DHS 2022 should also be converted into an REL for JNEC-

As you are aware, travel of horses and athletes for equestrian events is hugely cumbersome both financially and otherwise. As such, as far as possible and practicable, Regional Shows should also have REL events, to make it convenient, practical and efficient for the athletes, while at the same time ensuring and maintaining a particular standard and level.

In light of the above, it is requested that the JNEC events in the forthcoming DHS 2022 be converted into RELs. This will be the first REL in north India for the

B. REL should not merely be qualifiers and ought to be considered as competitions in their own right.

It is requested for the reasons enumerated above, that RELs for JNEC be not merely considered as a Qualifying Event. In addition to being considered qualifiers, the OC should be permitted to have the same said event considered as a competition in its own right as well and medals etc ought to be awarded.

This will greatly encourage greater participation of athletes, and encourage more OCs to organise such events.

C. DELHI HORSE SHOW/ REGIONAL SHOWS

The DHS is a regional show for all purposes and ought to be considered at par to any other regional show. To the extent that the extant Technical Guidelines carve out a special mention for DHS as an upgradation event, and hence give it an exalted status must be amended. All OCs desirous of conducting regional shows have a vested right for each regional show to be treated equally and at par.

For some inexplicable reason, all regional shows are to be conducted over two round competitions and with 66% difficulty as per the technical guidelines in vogue. This is bereft of any rationale and perhaps appears to be an inadvertent error; in as much as regional shows are being considered at par with the National Championship. The world over, regional shows are treated as events for training and exposure as also preparation for the National Championship and International Events.

By treating regional shows at par with the NEC, the athletes are be denuded a valuable right and opportunity to partake in training and exposure competitions.

Further introspection is needed as to why in the past few years DHS is the only regional horse show being held. Neither is this good for the sport and athletes, nor for the EFI since it is denied of corpus montes etc.

Furthermore, it is for this reason that as on date except the DHS, no other OC is coming forth to organise a regional show under the aegis of the EFI.

A fortiori, the EFI is requested to:

Amend the technical guidelines to incorporate a special section that deals exclusively with regional shows and treats them as a means of training and exposure.

- Afortiori, the stipulations that mandate that the technical aspects for these events be the same as the NEC must naturally be deleted, repealed, struck off.*
- 2. Regional Shows need a fillip and recommendations be called for as to how more Regional Shows can be held across the country and a more OC friendly regime be set up for the next 2 years to increase the number of such shows, which are the life line of the sport at every level.*
 - 3. Consider making every REL event a regional show for the next 2 years.*
 - 4. The Regional Members should be held accountable for not have fulfilled the mandate and obligation of their office, i.e. ensuring that uplifment promotion of the sport in their respect regions.*

Subject: Complaint about Mr. Amit Kumar Adhana Rider ID P100423 for intimidating me, illegally claiming ownership of assets paid for by me and defamation of my character

Dear Sir:

Amit & I used to work together from Jan2019 to Aug2021. We signed a business separation agreement resulting in a loan agreement dated 26Jul21. Ever since this agreement was formulated Amit has been **intimidating me physically and emotionally and lately even financially** in the following manner:

- Despite agreeing to allow access in the separation agreement, to my own riding infrastructure starting 26Jul2021 Amit stopped my access uptill 24Sep2021. I forcefully entered the premises on 24Sep and could not ride my own horses given I was not given any equipment by Amit or his Staff
- Amit was paid full fees for months of May, June 2021 and he barred my entry to the premises despite it being a facility jointly run by us (admitted by him in writing in the loan agreement)
- Amit vacated the premises on 27Sep (as agreed in the loan agreement) abandoning 3 horses of his clients (whom he was charging money from) in the Stables which we had to take care of. Amit forcefully used to access these horses alongside his Staff despite having committed to never returning to this premises in the loan agreement
- Amit, on the following occasions he publicly accosted and intimidated
 - My coach, a 17 years old on 4Oct2021 (name held back on request). My Staff and I had to stand in his way and protect this young girl. He threatened to get us beat up and evicted by local goons
 - Myself on 14Oct2021. He climbed over the gate and pushed me around publicly. I intimated the Badshahpur Police Station about this as well. This is not the first time Amit was physically intimidating me to get his way around the farm (previously on 19Feb2021 as intimated to Badshahpur Police Station). He threatened to get us beat up and evicted by local goons
 - On 19Jan2022 again Amit came to farm under the pretext of collecting his dog Goldie who has been mistreated by him and tied down. Owing to this mistreatment Goldie often comes to our farm to seek protection

A detailed police complaint to this effect has been filed with the Badshahpur Police Station (now two times March2021, March2022).

In order to evade the financial responsibility under this loan agreement he recently filed a fraudulent demand for roughly Rs.30,00,000 plus interest, received by me on 21Feb2022, where actually more than Rs.1Crore is owed by him to me. All these activities have clearly been undertaken to evade his upcoming financial responsibility of Rs.20,00,000 to me guaranteed by the PDCs.

In this above-mentioned notice, Amit has mentioned a contract of stabling I have allegedly signed with him for two horses that are held in his own name. The passports of these horses are attached as collateral in the notarised loan agreement. He has forged my signatures on this document in order to fraudulently claim monies from me.

Additionally, these following assets paid for by me are kept by him and falsely registered in his name without any intimation to me at the time of registration of these in his name.

- Horse named Aashva paid to original owner through my bank account
- Horses named Kismet & Junoon belonging to me vide loan agreement mentioned earlier. Amit has refused to hand over the passports of these horses claiming monies for the same from me

[Handwritten signature]

Moreover, we have received a copy of the paperwork submitted by Amit to EFI in March 2021 claiming full ownership of the arena operations which has admitted was jointly belonging to him & me as per agreement signed on 26Jul2022.

Amit is not just a fraudulent and violent person, but he also cheats his students by taking full year advance payment and stopping their entry despite payment of fees. Please note Amit has previously been asked to leave his job for misdemeanour specially with minor girl students from Schools like The Pathways School, Janak Riding School and then our riding set-up.

All these activities clearly prove Amit has indulged into theft & fraudulent activities & often claims assets belonging to other people as his! Additionally, it proves that Amit's character is immoral and unethical.

I would urge you to please take the strongest action against Amit Kumar Adhana and debar him for

- Physically, emotionally and financially intimidating me repeatedly despite fair warnings
- Fraudulently trying to evade financial responsibility and resulting criminal offence of bouncing PDCs given his financial status
- Registering assets, horses, brand names, farm operations paid for by me in his name and possessing them illegally

Yours is an esteemed organisation of such high, long standing prestige. Such a dubious person has no right to be called an Athlete, much less be associated with your prestigious body.

I seek justice from you, please debar Amit Kumar Adhana from EFI, otherwise I will be forced to make this matter public.

Best regards,

Nidhi Agarwal

Dear General Venkatesh and members of various committees and Athlete Commission,

1. I am a FEI 3* Endurance and International Tent Pegging Federation (ITPF) Qualified International Tent Pegging Judge who has been Judging National and International Endurance and Tent Pegging Events in the country and abroad for past nearly two decades. On 18 Mar 2022, I have successfully passed FEI Exam of the Endurance Judges 2022 - Competency based Evaluation System (CES) Function Module scoring 100% marks in a record time of less than 5 minutes against an allotted time of 60 minutes.
2. During AGM held in Sep 2019 end, I informed the house about financial irregularities committed by the EFI Secy General and non compliance of FEI Rules while issuing EFI Guidelines on Endurance for which Secy Gen did not have any supporting documents and promised to forward the same to me which have not been received by me till date in spite of numerous mails to EFI and personal telephonic conversations with Lt Col Rahman (Joint Secy). Due to above, the EFI Sectt has probably developed a vengeance against me due to which EFI has stopped detailing me to Judge any event in spite of the fact that various OCs have been requesting for judging by me as I hold an unblemished record of absolutely non controversial judging following all relevant rules strictly in the letter and spirit in the most fair and transparent manner.
3. Recently I conducted a training program of Endurance and Tent Pegging athletes and learnt that plenty of irregularities are taking place in Endurance Events and was shocked to see result sheets and viral videos of Jaipur Endurance Events of past two years and in spite of acceptance by the EFI that errors did take place, the event was again allotted to the same OC. EFI is detailing inexperienced/less experienced officials who do not even know how time is recorded in an Endurance Event in spite of clear instructions and rules of FEI that adequately experienced officials must record the timings as it is the most vital requirement of the Event as this Event is against the clock.
4. On 15 Mar 2022, I was once again shocked to read the Times of India article about Impersonation of Nepal Tent Pegging Team by Indians. It is a well known fact that nothing can move in the EFI Sectt without Secy Gen but the innocent riders have been made the escape goats where as actually both, the EFI Secy Gen and Joint Secy should be tried for treason as their acts have caused tremendous damage to the National reputation of our country.
5. In view of foregoing, I request your kindness to include following points as agenda points for the ensuing AGM so that the august house can discuss the same:
 - (a) Impersonation of Nepal Tent Pegging Team by Indians.
 - (b) Result sheets and Videos of National Endurance Events held at Jaipur for last two years.

Regards,

Dear Sir,

I write with regards to the conduct to REL events. The REL is basically a qualifier for the national games or national events as is the case with equestrian sports in India. It would be advisable to let the states hold their qualifiers for their equestrian athletes on the basis of a bench mark laid down by the national federation. As athletes representing their states can draw various monetary benefits as laid down from time to time by the state sports bodies on the lines of other recognized sports. The equestrian athletes would don their state colours and have a sense of pride while representing their states at various nationals. The state bodies do not fund REIs but only state Games Championships. In today's times the equestrian athletes stand to loose out much as per the existing system since they represent clubs and not their respective states. The system will help develop the sport at the grassroots level as the states would provide their athletes infrastructure to train and do well. This is lacking as per the existing system which is based on clubs run by individuals. The state equestrian assns would be held accountable by their state for development, training and producing results.

I would like the EC to kindly reconsider the REL system for future.
Col Sarpartap Singh Reid Lm 66

Yours Sincerely

Dear Sirs

India is a vast country with a large equine population of TBs. Indigenous breeds of horses and ponies. These can be harnessed to develop and broad base the equestrian sport at the grassroots level in the country if the national Federation lays down and implements clear cut policies in this regard.

It makes no sense putting a young child on a tall warmblood horse over the basic children jumping course which can be well jumped by a trained pony. The national federation needs to lay down the levels of jumping along with the pony class for children a separate class for young and junior riders on Indigenous Horses a separate class for Senior riders to compete with TBs and warm blood. As an example any jumping upto 90 cm should be left to pony class jumping from 90 to 1.10 should be left to Indigenous breeds jumping from 1.10 to 1.30 for TB horse and any above 1.30 should be Warmbloods. This would ensure a level playing field for all and assist in developing the sport.

As a test case the federation can try this for a period of 4 years if it doesn't bear any fruitful results I can be done away with.

This may kindly put up to all ec members in the oncoming Ec and decision taken communicated to me.

Sincere regards

Your sincerely

Col Sarpartap Singh

Dear Sir
Due to the fiasco created during the endurance events at Jaipur and Pailanpur
Gujrat couples with the International Tentpegging held at Greater Nodia it appears that the federation does not
take these disciplines seriously. These two equestrian disciplines are gaining popularity with the rural horse
owners and indigenous breeds which can help in development of Equestrian sports in days to come. It
is suggested that the federation concentrate on Olympics disciplines and let endurance and tentpegging be run by
associations involved in the promotion and development of these. The discipline specific assns can be accountable
to the national federation. This may be discussed in the oncoming Ec and views of the members be kindly

Dear Sir

India as a country has a vast equine population of Indigenous Ponies and horses which if harnessed properly will be of great help in developing equestrian sports in the country at various levels and improve the standards of Horsemanship in days to come.

The federation thus needs to lay down standards such as all children class events would be conducted on ponies events for young riders and junior riders to be held on horses and all senior class events be held on TBs and warmbloods. To start with to encourage participation on Indigenous ponies and horses separate class of events can be held till a laid down time.

I would humble request the federation to consider this in the long long term interest of the equestrian sports.

This may kindly be put up in the next Ec and the views of the members be communicated to me accordingly.

Development of Indigenous Horse Breeds for Equestrian sports

Dear Sir,

India as a nation has a very vast equine resource in Indigenous breeds of Horses & ponies. This resource needs to be exploited for broad baseing the equestrian sport at the grassroots level in the country. Ponies breeds like the Manipuri, Bhutia, Spiti and Zanskari can be introduced for children riding events at local club levels to start with. The Horse Breeds such as Marwari Kathiawari Sindhis and Indian Halfbreds can gradually be introduced to basic level of equestrian events since these breeds have already found a place in disciplines like tentpegging and Endurance, equestrian disciplines gaining popularity with local horseowners as on date. A bit of planned encouragement from the National federation these horses can be introduce to basic level Dressage Jumping and Eventing disciplines which will greatly help broad base the equestrian sport in the country. These horses being hardy easy to maintain by majority of the people. I would like to request the honorable Ec to consider the above and draw out a phased plan regarding this aspect of Equestrian development

Dear Sirs

India as a nation has a vast equine resource of indigenous horsebreeds. This needs to be harnessed in the interest of development of Equestrian sports at the grassroots level in rural areas. Most Indigenous Horse Breeders and Owners are from villages in most states and not only breed good stock but take pride in the stock they keep. This segment needs to be targeted to popularize equestrian sports through various equestrian disciplines. Disciplines like endurance and tentpegging have gained adequate popularity and need to be developed in a planned manner. The Rel model is a nice way to develop equestrian disciplines and has found favor with most. Hence it is requested that efforts should be made to bring in Endurance into the fold of Rels and the Federation aim at a one star National event, starting by using the Rel model to get there. A rider and horse combination or individually should qualify in one Rel of 40 km to start with followed by a second Rel of 60 km endurance and then get to participate at a one star event for which national medals should be allotted. This may kindly be discussed by the esteemed Ec members and implemented in the next equestrian calendar onwards if found favorable.

The outcome of the Ec discussion may be kindly communicated.

Sincere regards

2022 FEI Jumping World Challenge Final - Athlete Qualification

From: Andreina Wipraechtiger (andreina.wipraechtiger@fei.org)

To: efindianf@yahoo.co.in

Date: Tuesday, 22 March, 2022, 06:02 pm IST

Attn: Col. Jaiveer SINGH

Secretary General

IND NF

Dear Col. Singh,

I hope this email finds you well.

As we are now well in the first quarter of 2022, I wanted to give you an update on the situation with regards to the FEI Jumping World Challenge Final.

Following the finalisation of the 2021 FEI World Jumping Challenge Regional Rankings, I am happy to inform you that your Athlete **Zahan Setalvad** has qualified to take part in the Final.

Unfortunately at this time we still haven't secured an Organiser for this event as the National Federation originally scheduled to host the Final has withdrawn its candidacy, and we haven't yet found a new OC/NF.

With the ongoing impact of the COVID-19 pandemic, we expect that it will be difficult to find an OC/NF to commit to the organisation of the Final, but remain hopeful to have some prospects and "provisional bidders". In any case the idea is NOT to plan the Final before August/September of 2022 and stay confident that the situation with regards to the COVID-19 travel restrictions around the world will have improved by then.

Should your National Federation be interested in hosting this event, here are the main information:

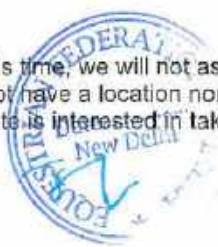

- The FEI Jumping World Challenge Final is open to **20 riders** and maximum 2 wild cards (for Host NF if no Athletes have qualified through the normal process – Category A Regional Rankings) and is held on **borrowed horses** (min 25 horses are required / max. 27).
- A financial contribution of **CHF 40'000.-** towards the organisational costs is allocated by the FEI to the Host National Federation.

More information on past editions can be found on our site under: <https://inside.fei.org/fei/disc/fei-world-challenge/jumping/final>.

National Federations may also be interested in the two feature stories which were produced for the last two Finals:

- ⇒ <https://www.fei.org/stories/uzbekistan-fei-solidarity> (video direct link: <https://youtu.be/3yS1eaY-PVg>)
- ⇒ <https://www.fei.org/stories/fei-solidarity-jumping-world-challenge-ecuador> (video direct link: https://youtu.be/3FNNmcGep_E)

At this time, we will not ask for your Athlete's confirmation of participation as we understand this is not realistic considering we do not have a location nor dates for the Final, however we would be grateful if you could let us know if "on principle" your Athlete is interested in taking part in this event?

I remain at your disposal should you have any questions.

With kind regards,
