Dear NFs,

Greetings! We hope our mail finds you all well. In ref to the above mentioned subject and keeping in view the upcoming **19th Asian Games in China 2022**, we would like to give maximum and equal opportunity to all our AEF family member NFs to recommend Officials for various appointments for the Games in 2022.

The three (3) disciplines which will be a part of the AG 2022 are as under;

- 1. Show Jumping**
- 2. Dressage**
- 3. Eventing**

Keeping the above in view, we would like to request all NFs to review the list of their NF Officials and look into the possibility to recommend officials for various appointments for the Games. The proposed names will be considered and the best options will be selected and proposed to appoint officials accordingly. The nominated officials should be well versed in their respective disciplines/field, have hands-on experience, those who have already worked at the Asian Games will be given priority, however, opportunity will be given to all NFs to nominate officials to be considered and then confirmed by the AEF Management & the appointed respective TDs of each discipline.

In view of the above, AEF may also consider conducting various FEI courses in the next one year for officials to raise their levels to be able to be considered for the Games, as we still have approx. 2 years, so that will also benefit NFs.

To highlight a few main appointments to be considered, the list of various departments is as under, all disciplines may be considered and kept in mind as well;

- 1. Ground Jury Members**
- 2. Asst. Stewards**
- 3. Veterinary Delegates**
- 4. Appeal Committee**
- 5. ITOs**

-2-

These are our Asian Games, the Games of our region and together, we will try and deliver an outstanding event, which should set standards for the future.

The deadline dates for submission of proposed names, along with levels of the nominated officials is **30th June 2020**, latest **10th July 2020**. Please ensure timely submission to avoid any inconvenience please, late submissions will not be entertained and accepted.

We thank you for your ever added cooperation and wish everyone a great day ahead.

Kind regards
