Athletes, Owners and Support Personnel Personal Accident and Health Insurance

It is Athletes, Owners and Support Personnel's responsibility to ensure that they have adequate personal accident insurance in place to cover their participation at the Event and in particular to insure against any personal injury or medical expenses arising from an accident, injury or illness which may occur at the Event.

The Athletes, Owners and Support Personnel should check with their National Federation to confirm if their National Federation's insurance policy (if any) covers personal accidents and/or illnesses which may occur when they are attending/participating in the Event.

16.2 Insurance and National Policy

If their National Federation (NF) does not have a personal accident/health insurance policy or if the NF's or NOC's insurance policy does not cover personal accident or health claims, then they should obtain their own personal accident and health insurance policy to cover their attendance or participation at the Event.

Personal Property Insurance

The Athletes, Owners and Support Personnel should also ensure that they are insured against property loss, theft or damage which may occur at the Event.

Again, the advice is to check with their National Federation to confirm if they have an insurance policy in place which would cover them in case of such property loss, theft or damage. If not, then they should obtain their own personal property insurance to cover such situations.

Athletes and Owners Third Party Liability Insurance

The Athletes and Owners are personally responsible for damages to third parties caused by them, their employees, Support Personnel, their agents or their Horses. They are, therefore, strongly advised to take out third-party liability insurance providing full coverage in relation to the Event and to keep the policy up to date.

The AEF, the FEI and the Organiser will NOT be responsible for any damage caused to third parties by the Athletes and Owners, their employees, Support Personnel, their agents or their Horses.
