Pattu that he can get the proceeding amended through the court. The Secy Gen info all present that the court did not order video recording of the proceedings. The same were suggested by Rajesh Pattu which was approved by the Dr SY Quraishi, the Learned Observer. whatever decisions the house takes today can be referred to the court. The Secretary General again requested someone to propose and second. Sameer Lanba proposed and KDS Malik seconded it. Hence, the Agenda-I was passed by the house unanimously. Dr SY Quraishi while replying to Mr Rajesh Pattu said that he is at liberty to challenge it. The chair was appalled by the infighting in a body of an important sport wherein he felt that everyone should work to bring glory to the country. He info all that he is paid an honorarium to participate in such meetings and he is happy to receive it. However, the fee to be paid to Senior Advocate i.e. Rs 75,000/- per hearing who has participated in 28 hearing is avoidable and he wondered how many more hearing will take place.

The Secretary General clarified that he can ask any number of questions when the proceeding reach Agenda-VI. Mr Rajesh Pattu said that there are no points from the members to be discussed Agenda-VI and only Agenda II & III have to be discussed. The Secretary General clarified that Agenda-VI being an Agenda shall be discussed in terms of orders issued by Hon'ble Delhi High Court. Mr Rajesh Pattu said that his question is this team which is going, who selected the team and the coach? Are we following the Sports Code? The Chair asked the Secretary General to reply.	The house perused and ratified the same.	Secy Gen

Points	Decision/Directions	Action to be taken by
The Secretary General replied that the matter is sub-judice and comments cannot be offered. He further info that the chair had asked him to reply and he did so. Mr RS Dundlod stated that the Secretary General's report which was uploaded on the website was after they went to court and has lot of things that are missing for examples – Olympic Games, Asian Games, Selection Committee. He suggested his point to be noted. Since it needs consideration. Dr SY Quraishi suggested whatever you are saying is being noted and we should go ahead with meeting. Mr Rajesh Pattu thanked the chair. Ashok Kumar Yadav said that he wanted to make a point related to selection of judges for selection of team for ITPF World Cup when he, alongwith Mr Afsar Ahmad and Mr Prakash Mehta from Mumbai were available as ITPF judges but their availability for said purpose was not sought. He told that this is the reasons why Rajesh Pattu had asked the question. He further asked, what is the basis of selection of the riders, the judges as well as how the team has been selected. The chair info him that his points have been noted and it will be part of the record. Mr SS Solanki clarified that for selection of a National team or conduct of National event, ITPF qualified judges are not required. They need to be used only for ITPF International events. The chair suggested to the house that they must endeavour to get the elections held as soon as possible so that the Fed can have the selection committee in place for such tasks.		

Points	Decision/Directions	Action to be taken by
Amit Chetri of ITBP after offering his salutation to the house stated that he wish to clarify about the ITPF World Cup selection of Team India. He said that the NEC Tent Pegging 2022-23 was held wef 01-06 Feb 2023 at the APRC, Delhi Cantt. In the prospectus it was clearly stated that under the authority of the Tech Guidelines-2021 of Tent Pegging at Note 1, 2 & 3 of Article-429, based on the rider points awarded to the rider in NEC Tent Pegging in various categories, probables will be selected. Thereafter the probables will undergo trials as per Technical Guidelines 2021 Tent Pegging and as per their results Team India will be selected. The Tent Pegging Team as on date has been selected accordingly. Then he further stated that if someone is complaining, it is incorrect. Mr NS Rajpurohit suggested that the names of International qualified judges should never be removed from the list of judges. Ashok Yadav brought out that FEI never recognised Tent Pegging and hence ITPF was created. The chair said that he doesn't have solution of this debate. Mr NS Rajpurohit brought out that Ashok Yadav has made a wrong statement and it should be noted. An exchange of words took place between Mr Ashok Yadav and Mr NS Rajpurohit The chair said that this discussion is being recorded and further decision may be taken by the elected body whenever it comes in place.

Ashish Malik, Chairperson, Athletes Commission based on the approval of members of Athlete Commission he brought out that he has been info by many athletes that there is lot of negativity in the environment. He felt that SS Ahlawat and Rajesh Pattu are not letting the Federation to function. Girls earned an overall Bronze Medal in Tent Pegging, it is for us, the athletes the Federation exists, we are the ones who play on ground, do all the hard work, spend money, rest everyone speaks English while sitting. Despite their efforts not to send the teams, team went, earned medals. Their was a requirement of selecting the Tent Pegging team and everybody understands that there is no selection committee as on date, which is not the fault of athletes. Then somebody went to court alleging selection cannot be carried out, a team cannot be formed, still selection of riders was held, he was part of it. We were six probable athletes who had gone abroad, two were Army Jawans, two army officers, we went on our own dime. There are so many Jawans sitting here, how many of them can afford to travel to Europe? After two years of hard work, we went to Europe for final training and selection, however, two of us came back. When these two gentlemen were part of the same system as Secretary General and Joint Secretary, they didn't find anything wrong and today due to power struggle, they do not think about the athletes and are spreading negativity. My request is to let the athletes play, please ask them to stop such negative activities. Mr SS Solanki raised another point to his submission that both SS Ahlawat and Rajesh Pattu have been writing letters that Indian Riders should not take part in International competitions and then contradicted themselves by questioning the selection of teams.

Hence, they are not promoting the sport. He questioned as to why are they trying to hold the athletes back?. It was his humble request that action should be taken against them for anti Federation and not promoting sport. The chair asked the chairperson of Athletes Commission to sit in front row. RS Dundlod said he would quickly answer to the chairperson Athlete's Commission and to the person who just spoke. He being the President of REA is very much involved with the sport, he would like to make it very clear before going ahead with the agenda that there are lot of messages going around saying that they are pulling down the sport even when the Chairman is addressing he says, our jawans, so is the sport meant for jawans? Are they, the state association, civilian riders not a part of the federation? Why are they given a 3rd rate treatment by the federation? This he said was his first question. The other question is that he is objecting to certain procedures of the EFI. He further stated that he is not against anything else or sport. He further said that correct procedure needs to be followed and when it is done they are with it. The Chair said in his assessment, the court permitted the AGM to be held despite REA going to the court at the last moment to get a stay simply due to the fact that the members from far and wide had started moving towards New Delhi to attend the AGM which is an essential meeting. He clarified that the court felt that the Agenda-II, III and IV are legal requirement and we must concentrate on that and discuss it. Any other conversation or discussions on other issues is pointless, meaningless and unproductive. Also, he is not going to		Secy Gen

pass any judgement if he or she is wrong or right. He suggested the members that they should focus on all the legally essential requirements which are Agenda-II to VI. Mr Ashok Kumar Yadav said that if EFI had followed procedures this situation would not have arrived upon. The Chair clarified that improvement will be done by Executive Committee and not an Adhoc Committee which is beyond their purview. Mr Ashok Kumar Yadav stated that Secretary General alone can do it. The chair said that you can empower him and he will do it. Ashok Kumar Yadav said that we empower him. 5.4 <u>Proposed Events Calendar 2023-24.</u> The Secretary General thereafter turned everybody's attention to the Events Calendar 2023-24 attached as <u>Appendix D.</u> Mr Suresh Kumar stood up to say that athletes are getting affected. He supported his statement by saying that in Dec 2022 a team was selected in Jan they underwent a coaching camp. In February that team was rejected. This happened within two months. That team was called to office and ticked off. This happened in Secretary General's presence. The chair interrupted and said he has been time and again requesting all members in today's meeting that the court has directed to discuss only essential Agendas. There are six Agendas and we should stick to them.	The house perused and ratified the same.	

Points	Decision/Directions	Action to be taken by
Suresh Kumar continued by saying that he respects Ashish Malik's views that athletes are suffering. The chair clarified that athletes should not be suffering. The Federation should take decisions to avoid such unwanted suffering. Suresh Kumar said they are not permitted to visit office. The Chair said that he should focus on the Agenda. All improvements shall take place in due course. Rajesh Pattu raised an observation that in the events calendars there are two clubs which are not affiliated with EFI and in this AGM their ratification has been deferred by the Hon'ble Delhi High Court. He further add that last year also such clubs which were not registered had conducted events. However, when Punjab Association had asked for an event, Secretary General said that EFI allows events to be hosted by clubs who are member of EFI. Now, MEA and two more clubs whose membership has come up for ratification, the court has deferred the Agenda. The events calendar for 2023-24 formulated through a procedure. The procedure which was followed is that a committee called Bid Evaluation Committee would assemble to discuss the bids receive and form an events calendar. The Secretary General clarified that in the AGM Notice a typo error had occurred due to cut copy paste wherein names of clubs from Ser No 3 (a) to (k) got published again and so is the case of Life/Individual		Secy Gen

Members from Ser No 1 (a) to (z) and Ser No 2 (a) to (b). He clarified that the membership of these clubs/ life member/ individual member was ratified in the previous AGM and minutes uploaded on the website for over a year can be visited for clarification. Mr Rajesh Pattu questioned if the last years minutes have been approved ? The Secy Gen clarified that they have been passed today. Rajesh Pattu alleged that whatever suits the Federation, it is cleared and rest of the issues are sub-judice. 5.5 <u>Registration of Rider/Horse with EFI.</u> The Secretary General info all present that the next important issue is about administration of horses and riders. He further stated that there are number of clubs which are not registered with EFI, however the Fed issues passports for their horses, their riders take part in EFI/FEI events and Fed get their entries done in FEI events. The FEI accepts registration of horses and rider only through NF. In some of these unregistered clubs due to infighting clubs, they have tried to involve the Fed. Hence, it is necessary that only horses and riders who are member of EFI registered clubs should take part in EFI events. Also, if rider is a Life/Individual member of EFI, he/she can participate in EFI events and get his/her horse passport from EFI. This embargo is required to ensure EFI rules and regulations are followed by Clubs/Institutional/Riders. He referred to the reasons flashed on the screen which are attached as <u>Appendix E.</u>	The proposal was approved by the house.

RS Dundlod stood up to ask the Secretary General that if any govt order existing wherein it is stated that NF will provide membership to clubs only. He continued with an example that in Rajasthan there are more than 15 clubs operating in various districts and he has been informed being the President of REA that this notification is causing them a problem because they are saying that they will not be recognized if they are member of REA. He brought out that as per NSDCI-2011 the State Association have more rights then the Fed. The Secretary General clarified to the house that President REA has made a wrong statement. The EFI has never denied membership to any club on the grounds that they are member of their State Association. In fact the prerogative of choosing NF or State/UT Association has been given to the club to choose. This is clarified in the rules under parameters formed for States/UTs Association and Club/Institutional membership by the EFI. He further clarified that clubs cannot be denied memberships by the State/UTs Association or the NF. However, they have to fulfil the membership criteria stipulated by respective sport bodies. RS Dundlod asked if State/UTs Association are parallel to Fed or part of the Fed or under the Fed. He further asked if as a member of State Association he should be given the right to register his horse and register himself. Why are you forcing him to go to the club? He suggested this point to be recorded since he was aware that the decision cannot be taken today. Gaurav Joshi introduced himself as the rep of Jodhpur Polo and Equestrian Institute, Jodhpur and Life

member of EFI. He felt that despite the Chair clarifying to the house that we should focus on the Agendas as per the Hon'ble Delhi High Court order, he is forced to speak today. He continued by stating that he has heard twice, "President REA" which is the first keyword and the second keyword is "State Association" is under NF. Firstly, he sought clarification if he was really the President of REA since as per Rajasthan State Law, Sports Act 2005, Point-13, Chapter-III, in any election in a sports club then a rep of higher body is present i.e. district association has to be present, in case of elections of District Association, a rep of State Association has to be present and in case of State Association then a rep of NF should be present. He questioned if the election of REA carried out accordingly? Did any member of NF was present as rep? This was his first question. His second point was that the 13 point also mandates that when election of a district are held then a rep of District Sports Association and States Sports Council reps have to be present. He further said that in case of State Association the rep of Sports Council should be present to observe if these election are illegal (farzi). He questioned on what basis RS Dundlod was calling himself as President of REA? He further clarified to the house that regarding allocation of membership by State Association, the REA does the opposite. In 2018 they approached the NF for their membership and they asked us to approach the State Association for an NOC. But the REA refused to give them the NOC. The matter that REA rejected to issue NOC was forwarded to NF wherein they had stated that we cannot be given membership of NF. However no NF rule exist which debars a State Association to stop membership of a Club from NF. Both org i.e. NF and

State Association cannot stop. REA has made their own rules that the clubs cannot joint NF. At his juncture, the Chair read Para 8 of the Hon'ble Delhi High Court order dt 07 Jul 2023 as stated :- "It is directed that the voting rights on the agenda items at the AGM will be exercised only by (a) States/Union Territories; (b) Clubs; and (c) Institutions as stated by Respondent No. 1 itself in the written submissions dated 08.07.2023". The chair asked club/institution members / representative to raise their hands and thereafter Individual/ Life Members. Only two representative of State Associations were present. RS Dundlod stood up to answer Gaurav Joshi's question. He said that Gaurav Joshi is misinformed and in the last election of EFI in 2019, there was no representative of IOA, SAI or MYAS. He further said since that's a separate question so far as Rajasthan Sports Code goes, it is not necessary for the Federation rep to be present in the election but the District Sports Council, Olympic Council rep have to be present and all these have been legally followed. The Chair again reminded the members that they are digressing from the agenda time and again since everything is on record in the Hon'ble Delhi High Court and the court will declare that the issue is time bared. He requested the members to stay focused on Agendas since he cannot resolve the infighting. RS Dundlod said that he shall address the points raised and alleged that some members have been

intentionally invited to raise objections. Hence in this situation he felt that reply have to be given and discussed. KDS Malik stood up and introduced himself to the house. He said that he has noted that there is a fight between right and wrong and everyone is giving their view point. He felt that we are all here for the love of the sport. The love of the sport does not mean that we have a horse stabled and we ride that horse till we grow old. He too wishes to represent our country if provided with an opportunity. Whenever a team is selected, an individual who is not concerned with that team goes to the court. Most of the court cases are filed by prominent riders. The points raised by Rajesh Pattu and RS Dundlod are biasedly due to the power struggle to take control of the Fed and nothing to enhance the chances of teams participation in International Competitions. These people who are not in power are stalling the growth of the sport. Please imagine if they come to power our future will turn into dark?. The chair info all present that once upon a time he was the Secy Sports of India, and dealt with 53 NFs. Post retirement he has been an administrator in Football and Hockey Federation. He has not witnessed so much infighting like in the EFI. He felt that generally fights take place for a reason which he was trying to identify. He was astonish to see that everybody is ready to fight, no one is bothered about the country or the Fed, let the sport go the hell, this is what he understood. Rajesh Pattu requested that he should become the administrator of EFI and he will then understand everything.	The house appreciated the	Secy Gen

5.6 <u>Import Duty Exemption on Horses.</u> The Secretary General brought the attention of all members back to the agenda by info the house that the Fed after lot of hard work has been granted exemption for import duty by Ministry of Finance. Mr Sandeep Sharma requested the Chair that he wished to ask that as per Hon'ble Delhi High Court order dt 07 Mar 2023 in the matter of Mr Chirag Khandal Vs EFI, the single bench had directed prima-facie that the Vice President (Finance) has conflict of interest. He further stated that despite this he sitting on podium and questioned if action should be considered against him. The Secretary General clarified to Sandeep Sharma that the order he mentioned has been stayed. Sandeep Sharma didn't agree and said that 07 Mar 2023 order has not be stayed. The Secretary General again clarified that in the LPA filed by the Fed, the 07 Mar 2023 was stayed initially as an Interim order dt 13 Apr 2023 and vide order dt 07 Jul 2023, the said order has been made absolute. The Secretary General suggested that any action based on the order of 07 Mar 2023 may cause contempt of the court. Sandeep Sharma again stated that at para 69, 70, 71 of the order Harish Khokhar has a conflict of interest but he is still the Vice President (Finance). The Secretary General again tried to speak about the import duty exemption but was interrupted by Sandeep Sharma.	efforts of the Secy Gen to obtain Import duty exemption from Govt of India. The house approved the SOP on the subject attached as <u>Appendix F.</u>	

Points	Decision/Directions	Action to be taken by
Sandeep Sharma asked Secretary General that he mentioned something on contempt? The Secretary General clarified that Hon'ble Delhi High Court order of 07 Mar 2023 was stayed as an interim measure on 13 Apr 2023, but vide Hon'ble Delhi High Court order dt 07 Jul 2023 the said order has been made absolute. The Secretary General info all present that the Fed had taken up a case through MYAS with Ministry of Finance for import duty exemption which came through on 01 Feb 2023 wherein an import duty of 30% plus has been waived off by the Govt. All individual medal winner starting from Junior category to Senior category are eligible as per MYAS instruction to avail these provisions. He added that the SOP on the subject has been accordingly amended in Feb 2023 which is available on the EFI website. 5.7 <u>Revision of Rates.</u> The Secretary General info the house that various sources of income generated by the Fed needs to be revised since last revision took place many years ago, coupled with inflation having taken place over the years, the expenditures have increased many fold. He cited an eg. with respect to the number of court cases today since it is Fed's right to defend which has caused avoidable increase in expenditure. Hence, he flashed a slide wherein various rates existing since last revision and the proposed rates were flashed which is attached as <u>Appendix-G.</u> Rajesh Pattu raised an objection against the NOC fee. He said that today while discussing that riders who represent India, he is not against riders, he was once a	The house perused and approved the revision of rates including Rs 30,000/- the annual fee for a State/UT Equestrian Association. rider himself, he was made into an activist but wants to return to being an active rider again. He requested that the NOC fee for riders who participate abroad suppose in England in a FEI competition, then he has to pay the Fed a fee of 250 USD and now 500 USD. He alleged that this is the only Fed which is making money from the riders. While addressing the chair he said, his only request is that Fed should not take money from the riders in fact they should financially help the riders. Rajesh Pattu further said that he supports the statement of Mr KDS Malik since Federation belongs to all. He further stated that the Fed is because of athletes and not that the athletes exist because of the Fed. Hence, non of this infighting should happen, that's all. The Secretary General clarified the point raised by Rajesh Pattu were raised by him last year's AGM as well. In 2008 when Rajesh Pattu was Joint Secretary, Sarpratap Singh was the Secretary General, the practice of levying a fee of 150 USD for NOC started. The rates were revised in 2014 when Jagat Singh was Secretary General, to 250 USD and now after Nine years a revision is suggested. He further stated that all those who speak about sports code should know that the same code stipulates each NF to be financially independent/ financially self sufficient. Hence, the Fed is following the sports code. In the last AGM a member of Shooting Fed was also present and he clarified that their Fed too levies charges from athletes for various purposes and thus, this practice is followed by all Federations. In order to be financially self sufficient all Fed have formulated policies to generate income from the athletes/stakeholders, even the State/UT association do it, there is no issue in doing

so. The Secretary General also clarified that NF was suggesting revision after many years. RS Dundlod said that a person paying 500 or 250 USD was not his point, his question is the individual who is obtaining the NOC, is he/she representing India-abroad? The Secretary General clarified that the same question was raised by him in the AGM held last year and was replied upon. The minutes have been on the website since 1 ½ years which should be referred to and hence he felt that there is no requirement to reply again. Mr RS Dundlod said his question is on para (e) of the slide which clearly shows that the importance lies with the clubs and institutional members and not with State/UT associations since the annual subscription of Club/Institution is being reduced to Rs 1000/-. He referred to the increase in annual subscription of State/UT associations. His State Association which according to him has no credibility in the State, they are existing, just for name sake, the increase of annual fee from Rs 8000/- to 10,000/-, why it's been done like this? Ashish Malik replied to Mr RS Dundlod that Sir, since you have just said that you as State Association exist only for the name sake then why fight with the athletes? RS Dundlod replied to Ashish Malik that he has misunderstood the point while addressing the Chair. He was talking of the Fed and people who are running it. He asked Ashish Malik not be speak with him like this.		

Points	Decision/Directions	Action to be taken by
The chair reminded the house that everything is being recorded and subject to final approval of the court. He felt that Rs 3000 is not much and in his opinion it should be Rs 5000/-. However, all this is subject to Executive Committee finally taking decision some day. Gaurav Joshi said that out of the two points raised, he would break down the first point wherein he agrees with Rajesh Pattu that our National Champions should not be asked to pay NOC fee. However, all those athletes who go abroad to participate in FEI events to obtain qualification for their upgradation, in case they do not achieve in first competition then they will try for 2nd time they should pay. The 2nd point raised was increase of annual fee of State/UT Association to Rs 10,000/-. He felt that the revised amount recommended is less and should be a minimum of Rs 30,000/-. He brought out that in his Rajasthan State Association wherein they have only 07 District Association, which is in violation of NSDCI-2011 which mandates 50% District Association i.e. 17 District Associations, he info the house that the REA charges from 7 District Associations a fee of 17 District Associations since they are paying double, here too with reference to same logic, it should be increased. He very strongly felt that the State/UT Association Annual Fee should be higher. The Secretary General asked the house if the fee is increased to Rs 30,000/-.	The house unanimously agreed to the suggestion of Mr Gaurav Joshi to make the annual fee of State/ UT Association to Rs 30,000/-.

Rajesh Pattu asked for his info how many riders took EFI to the court in last six months? He said that if you ask the Secretary General the same, he would say the Fed has the right to defend itself in the court. He alleged that riders have taken the Fed to the court and they have not filed a single case against the riders. They want the teams to go, but the riders had to go to the court and suggested to ask the Secretary General and Vice President (VP). The Secretary General clarified that one athlete had got relief in the form of additions two month time from the Hon'ble Delhi High Court to participate in requisite FEI events abroad to achieve EFI MER. A few riders approached Hon'ble Delhi High Court citing the same order for a similar opportunity. Some riders got relief on similar lines, when some name got included in the List of Probables, some of them withdrew, those who didn't get selected, some lost and these athletes went to the court on their own. He further clarified that the Fed didn't ask them to do so. Since the matter is subjudice, I cannot say more than this. Chirag Khandal info the house that thereafter the EFI approached the Divisional Bench challenging the order of single judge. The Secretary General clarified that it is legal requirement of the Fed to defend itself or challenge an order which is not favouring the interest of the Fed. He added that Chirag Khandal had all the time in the world to participate in the selection of probables. Chirag Khandal alleged that the Secy Gen didn't answer his question that they had asked. He alleged if you would have replied then he would have participated.	make the annual fee of State/ UT Association to Rs 30,000/-.	Secy Gen VP(Fin) Secy Gen

Rajesh Pattu said to the chair, a valid point brought out, he further alleged that Secretary General removed the selection committee since their 04 years tenure was over. Also, some of the EC members who had completed their stipulated 04 years tenure, my only question is if Secretary General alongwith two other EC members as on date on completion of their 04 years, are they ready to hand over the Fed to you, since they removed people who had completed their 4 years and	The house perused the same. once they complete their 04 years, then what will happen? This is what he wanted to know. The Secretary General clarified that since the matter is subjudice he cannot offer his comments. 5.10 <u>Creation of Internal Complaint Committee (ICC).</u> The Secretary General continued with his report wherein he info the house that based on the direction of MYAS an Internal Complaint Committee (ICC) pertaining to sexual harassment had been formed and then he read out the names of members which is attached at <u>Appendix-K</u>. He also info the house that their tenure will be three years. Rajesh Pattu made a request, that he had written hundreds of mails to NF, when he would published a book based on these mails which will be volume of complaints, he claimed he did not go to the court with his grievance, he did not get even one response, who is responsible to make an active rider into an activist? He further asked if he enquired, nothing happened, this is all nonsense, whatever he asked the reply is the matter is subjudice. Mr KDS Malik suggested that the Secretary General should continue with the agenda points.	The house ratified the formation of ICC.	Secy Gen

AGENDA - III : AUDITED STATEMENT OF ACCOUNTS

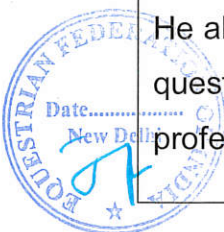

2021-22 AND 2022-23

Points	Decision/Directions	Action to be taken by
Rajesh Pattu requested before the Secretary General starts, he had a question pertaining to Financial Year 2021-22 which is over, and AGM was not conducted. However, expenditure took place, no approval was obtained. In case whenever the new EC is elected will they declares the expenditure of 2021-22 illegal due to lack of approval, do these two gentlemen make good the expenditure ? 6. <u>Passing of Audited Statement of Accounts 2021-22 and 2022-23.</u> The Secretary General clarified to the house that budget of 2021-22 was approved. He stated that the Fed had filed an application in Hon'ble Delhi High Court in Jul 2022 seeking elections of EC so that an AGM could have conducted thereafter which is the primary reason AGM 2022-23 got delayed. The accounts of FY 2022-23 have been audited (attached as <u>Appendix-M</u>). He further clarified that as per law of the land, NSDCI-2011, we had info all members through our AGM notice that wef 14 to 23 Jun 2023 our accounts are open to scrutiny but no points were received nor any member visited the EFI office to look at the accounts. He info the house that as per court order of 07 Jul 2023, at Para 5.4, the following directions :-	The accounts were passed after being proposed by Sameer Lanba and seconded by KDS Malik respectively. RS Dundlod brought out that the audited reports are to be signed by the treasurer and in the absence of treasurer it has been signed by another officer and he does not recognise the signature. He felt that he only wishes to place this point on record and nothing else. Rajesh Pattu said he has one more question. He while addressing the chair asked him since he has been a bureaucrat, there are checks and balances in all activities wherein there are committees formed, procedures laid down. He questioned if Vice President (Finance) can also be the treasurer? Can both of them spend money without asking the third person. He alleged that Mr Harish Khokhar sometimes becomes a treasurer, Vice President (Finance) and President also. He felt there are no checks and balances. The Vice President (Finance) replied that to the best of his knowledge, the audited balance sheets have to be signed by someone in order to get them passed. As on date there are only two office bearers which he felt was the compulsion for him to sign on the audited documents as they were required to submitted and was the only reason he did it. He also clarified that he has put his initials wherever required for the purpose of checks and balances. He also clarified that there were no fresh expenditure undertaken since there is no EC. However he said salaries have to be paid to staff, event need to be conducted. How do you expect the Fed to function? Ashok Yadav said he had few question on Agenda No 3. He said his first question was partly answered by Mr Harish Khokhar, VP (Fin) as to who authorised him to sign as treasurer on the accounts statements of 2022-23. He alleged it was illegal and cannot be passed. His next question was that he asked the breakup of legal and professional fees. He further added for the info of the

house who appointed the lawyers for representing the EFI? He wanted a breakup of media and publicity expenditure of 35 Lacs. He then questioned that how can the budget of the last financial year is approved this year? He further questioned that how was the money spent without the approval of budget of 2021-22? How can Vice President (Fin) sign as treasurer ? The Chair intervened and asked him to handover his points which will be mentioned in the minutes? The Secy Gen requested the members to propose and seconded Agenda-III.	The accounts were passed after being proposed by Sameer Lanba and seconded by KDS Malik respectively.	

AGENDA NO – IV : APPROVAL OF PROPOSED ANNUAL EXPENDITURE 2023-24

Points	Decision/Directions	Action to be taken by
7. The Secretary General again brought the attention of the house to Agenda Number-IV.		
7.1 <u>Approval of Proposed Annual Expenditure for FY 2023-24.</u> The Secretary General announced Agenda No-IV, the proposed budget for FY 2023-24 attached as <u>Appendix-N</u>. The Secretary General again requested the house that the Fed needs to pay Rs 75,000/- per hearing to the Senior Advocate pending since last one year. He hoped that litigations in the coming times will be over thereby saving us this avoidable expenditure. He clarified to the house that Rs 50,000/- per hearing is being paid to Advocate on Record since 2019 and a fee of Rs 75,000 per hearing for Senior Advocate needs to be passed by the house since payments are long due to him. As on date he has not taken any fee for hearing.	The proposed budget for FY 2023-24 were passed after being proposed by Sameer Lanba and seconded by KDS Malik The house unanimously approved the fee of lawyers i.e Advocate on Record and Senior Advocate. AGENDA - V : NEW MEMBERSHIP

8. <u>New Memberships.</u> The Secretary General info the house that the Agenda No-V has been deferred by Hon'ble Delhi High Court vide Para 6.2 of its order dated 07 Jul 2023 and he thereafter requested to house to the next agenda in Agenda No-VI.		

AGENDA NO VI : POINTS RECEIVED FROM MEMBERS

Points	Decision/Directions	Action to be taken by
<u>NIL</u>		

Points	Decision/Directions	Action to be taken by
The Secretary General announced that the next agenda i.e Agenda –VI, which is points received from members. He requested the members to raise their points which shall answered since no points were received in writing by the Fed. Rajesh Pattu said that the court has said that only Agenda No, II, III & IV are to be discussed. Ashok Kumar Yadav said he has a point. The Chair felt that the aim of the court to permit todays AGM was that the Fed should not get legally stuck on any issue whether it is related to audit etc, so that ministry should not black list the Fed in future. In todays proceedings their were issues discussed which do not have a solution today. However, he suggested that the members should try to get elections held and thereafter EC can take decisions. Danny Switten introduced himself as Second in Command of 61 Cav. He suggested that at the JNEC in Children-I & II category Show Jumping there should be two rounds and secondly the Fed should continue holding CCN pre Novice, Novice, prior to CCI 1* & 2* started by the NF last year for which he thanked the Fed. He also requested that foreign jury should be invited for all International competitions and for a few selected National competitions as well which is a suggestion from number of athletes too.		

Points	Decision/Directions	Action to be taken by
Ashok Yadav brought out the amendments of Technical Guidelines related to Endurance in 2019 were incorrect which has resulted the discipline to plummet. He said that since last four years we are not holding events above 40 kms. He requested that necessary amendments to be carried out to rekindle the sport. His second point was that if an OC invites an official EFI should not direct the OC to cancel his detailment. The chair suggested that the next date of hearing of main case is in Nov 2023. He felt that in case both parties approach the judge to get the elections held before Sep since election were announced and Justice JR Midha (Retd) had started the process. RS Dundlod said that he would like to clarify that the EFI had filed an application in court to hold elections and REA had accepted it. He was against this kind of prevailing environment, and he wished to clarify it by saying yes. The Chair said that the Hon'ble Delhi High Court had ordered elections. Justice JR Midha (Retd) was appointed, we held one meeting but the election were stayed. RS Dundlod said that he wish to tell the members. The Secretary General clarified that the REA filed an application on 05 Jul 2023 requesting the Hon'ble Delhi High Court to stay on holding of AGM by EFI. It was initially heard by the roaster judge Justice Tara Vitasta Ganju who referred the matter to Justice TR Gedela who had ordered the elections. He referred the matter back to roaster judge who being on leave on 07 Jul 2023 was heard by Justice Manmeet Pritam Singh Arora wherein the petitioner's Sr Advocate admitted that the EFI through LPA had approached Divisional Bench for a few modifications at para 78, 79 of election order

dt 11 Apr 2023. The Divisional Bench after hearing the matter on 29 & 30 May 2023 stayed the election order with directions to single bench that the WP(C) 5989 of 2022 i.e. exemption petitions which is filed against MYAS by REA needs to be decided expeditiously so that elections can be held. The chair said that in other words the Fed had approach the court for advancing conduct of the elections but they got further delayed. He felt that till such time an elected body is in place, internal fights will continue to grow. Ritika Dahiya informed the house that she was part of the womens team which had participated in Jordan. She further stated that she wishes to inform the house that it was for the first time an Indian Women team participated in International Tent Pegging competition. She thanked the Fed for it and the support provided which facilitated them to participate and win medals. She informed the house that initially when it was being contemplated whether to send the team or not, one of the EC member said that the girls are not capable and their participation will lead to wastage of funds. She further stated the gentleman who made such a statement never came to ground even once to see what they were capable of. SS Ahlawat is the one who said you are not capable and you cannot go. She questioned SS Ahlawat, as to why he discourages the athletes. She then said that after their medal winning performance many girls have started playing the game of Tent Pegging. As you all are aware Tent Pegging is a male dominated Sport and player will criticise, pull you down so that other riders do not come up.		

Points	Decision/Directions	Action to be taken by
Gaurav Joshi said that he wishes to highlight one issue which is that in 2018 Endurance rules were changed, in case you see the records prior to 2018 one would notice that in Endurance competitions of 40KM, 60K, 80KM and 120KM atleast one horse died. The ground jury should be blamed for such death of horses. After 2018 in Endurance events we did not loose any horse. We need to formulate rules which help athletes grow, save Horse lifes in various National Championships. He felt that in FEI rules, qualification for championship are clearly laid out. Ashok Kumar Yadav informed the house that in Feb 2019 one horse had died and at Jaipur in Oct another horse had died. Gaurav Joshi said that he is absolutely correct. In both cases rider fell down, the horse took off and then the horse banged in a tree, the same one who died in Jaipur, he broken his leg and shoulder. In other case also the rider fell down, the horse took a U-turn and ran into the jungle where the horse banged into a huge boulder and broke his foot. The horses which had died earlier this was due to the greediness of the riders who for the purpose of winning a medal pushed his horse. RS Dundlod asked Gaurav Joshi to clarify which were these horses. Gaurav Joshi replied that he was witness to the incident. The sole National medal won by you in Ranchi wherein six horses had died in that ride.		

Points	Decision/Directions	Action to be taken by
RS Dundlod said he would be happy if it is clarified which horses had died even later. He said to the chair that in his suggestion, REA will be ready for election as per the NSDCI-2011 and court order issued. The chair suggested that all of us should focus on that. Ashok Kumar Yadav said that endurance rules shall be followed and this is Gaurav Joshi who was beaten in one of the event. Sameer Choudhary stood up to say that he on behalf of athletes wish to say that firstly they complement the Fed for successful conclusion of Events Calendar-2021-22 & 2022-23, conduct of Asian Games selection trials, despite such vitiated environment, which is praise worthy. Then he said he had a suggestion for Secy Gen that in subjective competition like Dressage where marks are awarded for position seat etc, the Secy Gen should invite Foreign jury for conduct of fair and to avoid controversies at the events. He said that all seniors present today are also aware what he meant.	The house applauded on the good job done by EFI in conduct of various events.	

9. There being no more points/observation, the Secretary General requested the chair for closing address.

10. **Closing Address.** The chair said that the EC will take a decision. He said he was happy to see members have come from far and wide, and would suggest to stop internal fight and resolve all issues.
