Article 310

MINIMUM GUIDELINE STANDARD

1. The National Federation may however from time to time may lay down minimum standards of entitlement for awarding of medals in the National Equestrian Championships. In absence, of any specific guidelines intimated well in advance, these restrictions will not apply. For the NEC these will have to be included in the prospectus. This has been incorporated to debar presentation of medals to undeserving participants in the unlikely circumstances where participation in NEC is either very limited or unrepresentative of National standards.
2. **The minimum qualifying speed per phase, may be laid down by organizers for administrative reasons.**

Article 311

CRUELTY

1. Any act or series of actions which, in the opinion of the Ground Jury can clearly be defined as cruelty or abuse shall be penalised by disqualification and as otherwise allowed under the GRs, and the individual concerned shall be reported to the EFI.
- 2 Reports of such actions must be accompanied whenever possible by the signatures and addresses of witnesses of the actions. The reports must be given to the Ground Jury or the Secretary of the Organising Committee as soon as possible.

Mandatory Rest for Horses:

1. After competing in an event, a horse must be given a mandatory minimum rest period, as defined, before it is again eligible to participate in a National or FEI competition (Rest Period commences at Midnight on the day that the ride finishes as denoted by the maximum ride time allowed and finishes at Midnight, the day before published ride start time):

Distance completed	start – 40 km	5 days (retirement only)
	start – 80 km	12 days
	Over 80 – 120 km	19 days
	Over 120 km	26 days

See FEI Articles 815.3.3 and 815.2.4 for extended mandatory rest periods following immediate invasive treatment.

2 **Invasive treatment** is defined as:
Any treatment of a horse which involves the puncture or incision of the skin or insertion of any instrument or foreign material into the body is considered invasive. Exceptions to the rule would be the administration of oral electrolytes or acupuncture. Any metabolic condition diagnosed in a horse that has Failed to Qualify that left untreated would compromise or threaten the welfare of the horse would be considered a condition requiring invasive treatment.

3 If a horse has Failed to Qualify for metabolic reasons which require immediate invasive treatment at any events it must be given a mandatory rest period of 60 days before it is again eligible to participate in an event.

4 If a horse has Failed to Qualify for metabolic reasons which require immediate invasive treatment at any 2 consecutive events or twice within any 3 month period, it must be given a mandatory rest period of 90 days before it is again eligible to participate in an event.

5 It is the responsibility of the FVD and the Treatment Veterinarian to review, on a case by case basis, the treated horses at the end of an event and classify each case as that is immediate invasive treatment, incurring mandatory rest or Authorised Treatment.

6 The EFI in consultation with the VP (Tech) and VP (Vet) may decide to create a supplementary schedule.

Article 314

Inspection Decorum

1 Horses which are presented for vetting **must proceed**, as instructed, **directly** from the ‘timed in gate’ to the veterinary examination area (vet lane) **showing constant forward motion**.

2 **No action** must be taken **to hold back the horse** or to **prevent this constant forward motion** (this to include **deviation from course**, encouragement either by sound or by command to stop).

Distance completed	start – 40 km	5 days (retirement only)
	start – 80 km	12 days
	Over 80 – 120 km	19 days
	Over 120 km-140Kms	26 days
	Over 140 Kms	33 days

See FEI Articles 815.3.1 and 815.3.3 to 815.3.4 for extended mandatory rest periods following immediate invasive treatment.

2. **Invasive treatment is defined as:** Any treatment of a horse which involves the puncture or incision of the skin or insertion of any instrument or foreign material into the body is considered invasive (Exceptions to the rule would be the administration of oral electrolytes or acupuncture). 1 Horses which are presented for vetting **must proceed**, as instructed, **directly** from the ‘timed in gate’ to the veterinary examination area (vet lane) **showing constant forward motion**.

2 **No action** must be taken **to hold back the horse** or to **prevent this constant forward motion** (this to include **deviation from course**, encouragement either by sound or by command to stop).

3 Whistling within the vet gate to encourage a horse to urinate is not allowed and considered as a failure to observe this article and may attract disqualification or other disciplinary action.

4.The following can be enforced should the above regulations not be followed at all times:

1 Should a horse be **presented** at the vet gate **with tack** then that horse will be **considered to have failed the first inspection**. The **time in** will be **cancelled** and the horse will be required to exit the vet gate and present for a second (final) presentation.

2 Should a horse fail to proceed directly to the line veterinarian, as instructed by an official, the Rider (Person Responsible) will be in breach of Art. 821.2.3 and may be given either **a fixed time penalty of 5 minutes** and/or be given **a yellow warning card**. (Note: two yellow warning cards results in immediate disqualification from the event and a two month suspension from all FEI competitions)

3 Should a horse be walked so slowly that it stops then it is considered to be in breach of ‘constant forward motion’ and may be subject to either **a fixed time penalty of 5 minutes** and/or be given **a yellow warning card**. (Note: two yellow warning cards results in immediate disqualification from the event and a two month suspension from all FEI competitions)

4 The horse **will not be allowed to enter the vet lane itself** until the heart rate has been taken and instruction given by the line Veterinarian to trot.

3 Whistling within the vet gate to encourage a horse to urinate is not allowed and considered as a failure to observe this article and may attract disqualification or other disciplinary action.

4.The following can be enforced should the above regulations not be followed at all times:

(a) Should a horse be **presented** at the vet gate **with tack** then that horse will be **considered to have failed the first inspection**. The **time in** will be **cancelled** and the horse will be required to exit the vet gate and present for a second (final) presentation.

(b) Should a horse fail to proceed directly to the lane veterinarian, as instructed by an official, the Rider (Person Responsible) will be in breach of Art. 821.2.3 and may be given either **a fixed time penalty of 5 minutes** and/or be given **a yellow warning card**. (Note: two yellow warning cards results in immediate disqualification from the event and a two month suspension from all FEI competitions)

(c) Should a horse be walked so slowly that it stops then it is considered to be in breach of ‘constant forward motion’ and may be subject to either **a fixed time penalty of 5 minutes** and/or be given **a yellow warning card**. (Note: two yellow warning cards results in immediate disqualification from the event and a two month suspension from all FEI competitions)

(d) The horse **will not be allowed to enter the vet lane itself** until the heart rate has been taken and instruction given by the lane Veterinarian to trot.
