<u>Points</u>	<u>Decision/Directions</u>	<u>Action to be taken by</u>
VP(Fin) told the house that it is necessary that EFI is represented by someone in the international forum and Secy Gen is the right person for the same. Hence, the expenditure on his foreign travel is justified and not an aberration. With regards to the huge sum spent in court cases Mr. Kevik Setalved appraised the house that the legal fees paid to the advocates is minimal and justified keeping the nature of the case. He himself was involved in the complete process and assured the house that the expenditure is fully justified. Keeping in view the nature of judgement which we have got from a very reputed judge which is a benchmark judgement and the same can be referred by many NFs in times to come, the expenditure incurred is justified. He also stated if we had not got this judgement in our favour then separate petition would have been filed against EFI by Dressage riders who also had adopted similar practices in giving their Asian Trials in Austria. Keeping all the above in view and employment of reputed lawyers to defend the case the cost involved is not too much. It further has saved the reputational loss of EFI. With regards to the expenditure of huge sum in transportation of horses and feed during the 18th Asian Games. Col Rajeev Dahiya the team manager explained that all the expenditure is bonafide and has been paid out of EFI fund as the Govt has not released any advance however the same will be claimed from the MYAS. At this juncture Lt Col Sandeep Dewan (Retd) brought out that MYAS has given approx 20 Lakhs for Asian trial however no amount have been given to EIRS who have conducted Asian Traials for show jumping. In response Secy Gen informed the house that for the first time in the history of EFI MYAS was persuaded to release funds for Asian Trials and they approved fund for only Eventing and Dressage trials where foreign jurys were invited. Therefore, no money was given for show jumping trials. It was surprising that the esteemed member in-spite of appreciating the effort of EFI is questioning the funds used for Asian Trials. Lt Col Sandeep Dewan (Retd) pointed out that during the Secretary General briefing it is intimated that Rs 73 lakh is being paid as IT Penalty, in that case why accountability is not being fixed for the persons responsible to prevent such lapses.		

<u>Points</u>	<u>Decision/Directions</u>	<u>Action to be taken by</u>
In response Secy Gen informed all out effort is being made to get the exemption of CBDT under IT Act 11 (C) for the year 2014-15, 15-16, 16-17, 17-18 and 18-19. At this juncture VP (Finance) intervened and told the member that it is normal for the IT Dept to scrutinize any of the financial transaction and slap penalty if they feel procedures have not been followed. Thereafter it is our responsibility to file the appeal and get our money refunded by satisfying their queries. At this juncture Mr Amir Pasrich told Lt Col Sandeep Dewan (Retd) that legally he cannot stop the passing of accounts in the AGM. Thereafter Col Rajiv Dahiya proposed the passing of accounts and Brig Sameer Lanba, VSM seconded.		
<u>AGENDA IV</u>		
6. <u>Approval of Proposed Annual Expenditure.</u> The Secy Gen flashed the proposed expdr for the yr 2018-19 before the house. Details attach at Appx 'N'. Lt Col Sandeep Dewan (Retd) raised a question that why Rs 25,00,000/- has been earmarked for legal fees as compared to Rs 1,50,000/- in previous year. In response Secy Gen informed him that approximately Rs 15 lakh has already been expended during the current financial year owing to the court cases of Asian Games and in anticipation of further cases Rs 25 lakh was proposed and approved during the EC. At this juncture Lt Gen MH Thakur, VSM, VP (Adm), EFI told Lt Col Sandeep Dewan (Retd) that the amount being projected is an approximate amount and it may be more or less depending on the number and type of court cases. So raising an objection of such nature is unwarranted. Mr Pasrich pointed out a separate budget for vet cover at the location of Camps and Games may be included in the proposed annual expenditure.	<u>Decisions of the house.</u> The proposed budget was passed after being proposed and seconded by Brig Adil Mahmood, VSM and Col Nakul Yadav respectively. <u>AGENDA V</u>		
7. <u>Approval of Calendar of Events 2018-19.</u> The Secy Gen informed the house about the proposed EFI Calendar for 2018-19 which is att at Appx 'O'. Lt Col Sandeep Dewan (Retd) objected to the decision of allotment of JNEC to Kolkata to which President, EFI replied that VP (Adm) & VP (Vet) were asked to review the allotment of JNEC and after going through the details they had opined that due procedures were followed in bid evaluation and JNEC was rightly allotted to Kolkata. At this juncture VP (Fin) said although he is the owner of EIRS which was the other bidder for JNEC his stand is that the event be allotted to the club only if they have all the facilities as per the technical specification required. Lt Col Shailender Singh (Retd) informed the house that he was the Deputy CEO of the Tollygunge Club and as per him there are certain shortcomings in Tollygunge club riding facilities which may hamper smooth conduct of JNEC. After hearing every one President told the house that he will have a relook at allotment of JNEC and take a final call shortly.	<u>Decisions of the House.</u> After a detailed discussion on the EFI Calendar the house ratified the calendar. <u>AGENDA IX</u>		
12. <u>Points Received from Members.</u>		
12.1 <u>Maharashtra Equestrian Association (MEA).</u> The Secy Gen informed the house that during in the last AGM, MEA was directed to include all the clubs and Districts Association as its member. No action has been taken by MEA in this regards. Maharashtra Olympic Association has already derecognised the MEA since 2016 due to non activity and for not conducting elections of its office bearer. No election has taken place since 1998. Numerous complaints received from various quarters of the State	<u>Decision of the House :-</u> After the discussion, the President directed MEA to give membership to all the stake holders who are interested in functioning of MEA by 30 Oct 2018 and conduct a proper election by 30 Nov 2018. In case of failure to do so the MEA will be de-recognised by the EFI on 01 Dec 2018. He further directed VP(Adm) to discuss the matter in detail and work out the modalities with all stake holders immediately after the AGM is over. Pursuant to above instruction from President, the VP(Adm) had a detailed discussion with MEA and other stake holders of Maharashtra on 30 Sep 2018 at 1500hrs at the venue of AGM itself. After the discussion the following time line has been agreed by MEA to be followed to resolve the crisis :- (a) All stake holders will resubmit their membership forms to MEA by 07 Oct 2018. (b) MEA will provide them the membership numbers by 30 Oct 2018. (c) Election of MEA office bearers will be conducted by 30 Nov 2018. (d) MEA will intimate EFI 15 days prior to the election so as to enable EFI to send an observer to monitor the election. (e) In case of any failure to follow above time line by MEA it will stand de-recognized on 01 Dec 2018.	VP (Adm) Secy Gen

<u>Points</u>	<u>Decision/Directions</u>	<u>Action to be taken by</u>
12.2 <u>Point from Lt Col Sandeep Dewan (Retd).</u> (a) Huge sums spent on horse transportation for Asian Games 2018 (b) EFI fund spent on legal fees for Yashaan Khambata case (c) Arbitrary allotment of JNEC to Kolkata (d) CHT used by Secretary General (e) Foreign jaunts of Secretary General (f) Illegal membership Above points were flashed on the screen by Secretary General who asked Lt Col Sandeep Dewan (Retd) whether he would like to discuss all the points one by one or skip some of them as they have been discussed in previous agendas. Lt Col Sandeep Dewan (Retd) replied that all his points have already been covered except illegal membership which he would like to discuss. He asked the house why the individual membership, life membership and club members are being given the voting right as the same is not permitted as per NSDCI. Only one vote is allowed to one state association. Further, he questioned the membership of certain Army units such as MT Bns, FOL depots and Dog units etc. In response Lt Gen AJ Singh, AVSM, VSM (Retd), VP (Vet) EFI replied that it is true that NSDCI speaks about one state association one vote but as far as Equestrian sport is concerned the state associations are not active and many states do not have their association. Further our statute permits voting right to Individual members and club member being a club based sport. However efforts are being made to create state association and they are being helped to conduct more activity and over a period of time when all the state association become more active we may move towards one state one vote policy till such time we have to follow the present system of voting.		VP (Adm) Secy Gen

<u>Points</u>	<u>Decision/Directions</u>	<u>Action to be taken by</u>
In this regard myself alongwith VP (Tech) & Secretary General had a meeting with Secretary of Sports and explained to him the peculiarity of the equestrian sport which he accepted that this sport cannot survive without the involvement of Army due to its heavy infrastructure requirement however over a period of time the sports needs to move to grass root level and asked us to make an all out effort to form state associations. After understanding the peculiarities of equestrian sports and inability to follow the NSDCI in toto the MYAS has accorded the recognition of EFI for the year 2018. Lt Gen AJ Singh, AVSM further added that one of the great rider/ coach of India i.e. Col GM Khan (Retd) is a product of one of the club being run by an FOL depot, MT Bn and Dog Units are posted with riders who are well within their right to form clubs within their units so giving membership to clubs being run by MT units, FOL depot or Dog units is justified. At this juncture Col Sarpratap Singh (Retd) said that in Punjab they have formed district association in each district President asked other states to work in the similar line and form district association who in turn will elect the office bearers of their respective state association. Once the office bearers of all the state association are elected by their respective district association the EFI will take a decision in transition to one state on vote policy.

REGIONAL EQUESTRIAN LEAGUE (REL) GUIDELINES:
SHOW JUMPING, TENT PEGGING AND JNEC

Introduction

1. Unlike other sports, equestrian field does not have Distt / State level championship due to lack of infrastructure, as a result of which many a time naïve horse-rider combinations have participated in National championships thereby diluting the sanctity of the National Level competition. REL concept has been developed to offer more opportunities to riders to participate in various competition within the region and qualify themselves to compete at National level.

Objective

2.
 - (a) Promote Equestrian sports at Regional Level by empowering Regional Members.
 - (b) Promote more civilian organizing committee & civil venues to hold equestrian events.
 - (c) Popularize the sports throughout the country.
 - (d) Offer more competitions to horse-rider combinations in their own region thereby reducing the burden of transportation cost.
 - (e) Select horse rider combination worthy of participation at National level.

Concept

3. To achieve the above objectives, holding of Equestrian competitions at regional level is proposed on the lines of World Challenge Jumping (WCJ) for which the country will be divided into following zones: -
 - (a) North Zone (J&K, Himachal Pradesh, Punjab, Haryana and Union Territories of Chandigarh and Delhi).
 - (b) East Zone (West Bengal, Bihar, Jharkhand and Orissa).
 - (c) West Zone (Maharashtra, Goa, Gujarat, and Rajasthan).
 - (d) South Zone (Tamil Nadu, Kerala, Karnataka, Andhra Pradesh, Telengana and Puducherry).
 - (e) Central Zone (UP, Madhya Pradesh, Chhattisgarh and Uttrakhand).
 - (f) North East Zone (Assam, Manipur, Nagaland, Sikkim, Arunachal Pradesh, Tripura, Meghalaya and Mizoram).
4. Respective Zonal Members shall be responsible to organize regional championships.

5. One EFI Rep (CD/Jury as per the request of OC) shall be detailed for each horse show to ensure that the desired levels are not diluted.
6. Course plans for show jumping will be provided by EFI to be followed at all venues so as to have uniformity in level of competition for all and for Dressage and Tent Pegging uniform standards as per tech guidelines of EFI will be followed.
7. The MER as per appx will be followed and rider must participate at minimum of two venues and achieve 02 MERs to be eligible to participate in NEC/ JNEC.
8. To qualify for the Nationals, rider may participate in any number of competitions being held at various venues all over the country to achieve the desired MER.
9. At present REL is introduced only for the following categories:
 - (a) **Seniors**: Only in Show Jumping (Novice & Grade III) and Tent Pegging.
 - (b) **Juniors**: Only in Show Jumping and Dressage (Junior, Children I & Children II).
10. Rest of the categories except mentioned above will not be included in REL and the riders can participate directly in NEC/JNEC as applicable.
11. Expenditure on transportation, accommodation & hospitalities of officials shall be borne by the organizers.
12. Organizers to use their own infrastructure.
13. Course Plans and Dressage tests for these categories are attached as appx 'A' to 'F'

Incentive

14. Incentive will be given by EFI to a club once in a calendar year. Rs 50,000/- will be given if participation of over 25 riders and Rs 25,000/- to be given for less than **25** riders.

Procedure

15. Interested organizers may forward their bids to EFI after due consultation with Regional Member regarding the exact dates of event. The recommendation of Member Region is mandatory. On receipt of the bids the same will be evaluated by the Bid Evaluation Committee for allotment of events. On allotment of the event the same will be included in the EFI Calendar for 2018-19 which will facilitate all horse-rider combinations to plan their move to various venues and participate to achieve MER to qualify for NEC.
16. Organizers will have to deposit a refundable security of Rs 50,000/- alongwith bid which will be refunded with incentive mentioned in Para 15 on successful completion of event. In case of non completion of event as per EFI guidelines security deposit will not be returned.

REGIONAL EQUESTRIAN LEAGUE (REL) GUIDELINES: **SHOW JUMPING, TENT PEGGING AND JNEC**

Introduction

17. Unlike other sports, equestrian field does not have Distt / State level championship due to lack of infrastructure, as a result of which many a time naïve horse-rider combinations have participated in National championships thereby diluting the sanctity of the National Level competition. REL concept has been developed to offer more opportunities to riders to participate in various competition within the region and qualify themselves to compete at National level.

Objective

18.

- (f) Promote Equestrian sports at Regional Level by empowering Regional Members.
- (g) Promote more civilian organizing committee & civil venues to hold equestrian events.
- (h) Popularize the sports throughout the country.
- (i) Offer more competitions to horse-rider combinations in their own region thereby reducing the burden of transportation cost.
- (j) Select horse rider combination worthy of participation at National level.

Concept

19. To achieve the above objectives, holding of Equestrian competitions at regional level is proposed on the lines of World Challenge Jumping (WCJ) for which the country will be divided into following zones: -

- (a) North Zone (J&K, Himachal Pradesh, Punjab, Haryana and Union Territories of Chandigarh and Delhi).
- (b) East Zone (West Bengal, Bihar, Jharkhand and Orissa).
- (c) West Zone (Maharashtra, Goa, Gujarat, and Rajasthan).
- (d) South Zone (Tamil Nadu, Kerala, Karnataka, Andhra Pradesh, Telengana and Puducherry).
- (e) Central Zone (UP, Madhya Pradesh, Chhattisgarh and Uttrakhand).
- (f) North East Zone (Assam, Manipur, Nagaland, Sikkim, Arunachal Pradesh, Tripura, Meghalaya and Mizoram).

20. Respective Zonal Members shall be responsible to organize regional championships.

21. One EFI Rep (CD/Jury as per the request of OC) shall be detailed for each horse show to ensure that the desired levels are not diluted.
22. Course plans for show jumping will be provided by EFI to be followed at all venues so as to have uniformity in level of competition for all and for Dressage and Tent Pegging uniform standards as per tech guidelines of EFI will be followed.
23. The MER as per appx will be followed and rider must participate at minimum of two RELs and achieve 02 MERs to be eligible to participate in NEC/ JNEC.
24. To qualify for the Nationals, rider may participate in any number of competitions being held at various venues all over the country to achieve the desired MER.
25. At present REL is introduced only for the following categories:
 - (a) **Seniors**: Only in Show Jumping (Novice & Grade III) and Tent Pegging.
 - (b) **Juniors**: Only in Show Jumping and Dressage (Junior, Children I & Children II).
26. Rest of the categories except mentioned above will not be included in REL and the riders can participate directly in NEC/JNEC as applicable.
27. Expenditure on transportation, accommodation & hospitalities of officials shall be borne by the organizers.
28. Organizers to use their own infrastructure.
29. Course Plans and Dressage tests for these categories are attached as appx 'A' to 'F'

Incentive

30. Incentive will be given by EFI to a club once in a calendar year. Rs 50,000/- will be given if participation of over 25 riders and Rs 25,000/- to be given for less than **25** riders.

Procedure

31. Interested organizers may forward their bids to EFI after due consultation with Regional Member regarding the exact dates of event. The recommendation of Member Region is mandatory. On receipt of the bids the same will be evaluated by the Bid Evaluation Committee for allotment of events. On allotment of the event the same will be included in the EFI Calendar for 2018-19 which will facilitate all horse-rider combinations to plan their move to various venues and participate to achieve MER to qualify for NEC.
32. Organizers will have to deposit a refundable security of Rs 50,000/- alongwith bid which will be refunded with incentive mentioned in Para 15 on successful completion of event. In case of non completion of event as per EFI guidelines security deposit will not be returned.
