Dear Sir,

Hope this email finds you well.

1. I received a communication yesterday from Col. Jagat Singh, Vice President (Tech) of EFI stating that certain documents are required by the fact-finding committee. The said email is attached herewith for your reference.
2. Considering that the record required by the committee is voluminous, I would require time to compile and provide the same to the fact-finding committee. It would not be possible to do so within a day. I shall share the record with the fact-finding committee as soon as the same is compiled and ready, which should be in a week or so.
3. Meanwhile, it is requested that all official communication be sent by the fact-finding committee to EFI in respect of any meetings or required records on efiindianf@yahoo.co.in so that this process can be formalised and concluded in an effective manner.
4. I shall be happy to provide any assistance to the fact-finding committee.

1. On 7th January 2025 in W.P © 5989/2022 titled Rajasthan Equestrian Association vs UOI, the Hon'ble High Court of Delhi constituted a Fact-Finding Committee, of six persons, to conduct a detailed investigation into the ground level realities of equestrian sports in India. The order was reached to the office of the Chairman of the Committee on 31st January through the Process Server, Delhi High Court alongwith Memo of Parties. Counsel for the parties to the writ petition were contacted through the petitioner's counsel. Details of the nominees of Ministry of Youth Affairs and Sports (MYAS), Sports Authority of India (SAI) and Indian Olympic Association (IOA) were awaited. Interactions with the counsel for the parties, lead to an e-meeting of the Committee on 8th February 2025. It was attended by all members of the Committee except two, who could not be contacted. Another meeting with all members of the Committee was held on 12th February 2025.
2. Some preliminary information was sought from the Equestrian Federation of India (EFI). On 18th February, 2025 Secy. Gen. EFI addressed an email which reads as under:

"Dear Sir,

Hope this email finds you well.

1. I received a communication yesterday from Col. Jagat Singh, Vice President (Tech) of EFI stating that certain documents are required by the fact-finding committee. The said email is attached herewith for your reference.

2. Considering that the record required by the committee is voluminous, I would require time to compile and provide the same to the fact-finding committee. It would not be possible to do so within a day. I shall share the record with the fact-finding committee as soon as the same is compiled and ready, which should be in a week or so.

3. Meanwhile, it is requested that all official communication be sent by the fact-finding committee to EFI in respect of any meetings or required records on efiindianf@yahoo.co.in so that this process can be formalised and concluded in an effective manner.

4. I shall be happy to provide any assistance to the fact-finding committee.

Regards,
Col. Jaiveer Singh
Secretary General, EFI"

Subject: Urgent: Submission of Information as Directed by the Fact-Finding Committee

Dear Col Jaiveer Singh,

As you are aware, the Hon'ble Delhi High Court, by its order dated 07.01.2025 in WP(C) No. 5983 of 2022, has constituted a fact-finding committee under the chairmanship of Hon'ble Justice Waziri (Retd.).

A meeting of the said fact-finding committee was convened today, wherein the EFI has been expressly directed by Hon'ble Justice Waziri (Retd.) to furnish the following information without delay, to facilitate the committee in fulfilling its mandate:

- 1. A comprehensive list of all State Associations as well as clubs.*
- 2. Details of the infrastructure that are available with each of the State Associations and clubs.*
- 3. A complete inventory of all horses, equipment, and other essential assets held by each State Association and club.*
- 4. The extent of accessibility of the aforementioned infrastructure to the*

general public.

5. A detailed list of all athletes who have represented India in equestrian sports at international events, including but not limited to the Asian Games and the Olympics.

6. A detailed list of all the achievements by the athletes who have represented India in equestrian sports at international events.

Please note that Hon'ble Justice Waziri (Retd.) has categorically directed that this information be submitted no later than tomorrow.

In view of the said instructions, you are hereby requested to compile and provide the requisite information by no later than noon tomorrow, to enable its onward submission to the fact-finding committee within the prescribed timeline.

Best regards,

Col. Jagat Singh'

4. In the weeks that followed a trail of reminders from the Secretary-General to EFI members/State Associations, et cetera, to furnish the preliminary information sought was forwarded. By letter dated 28 March 2025 the latter forwarded a list of 12 State Associations - of which six had allegedly furnished some information; names of 16 institution members (all from the Armed Forces) and a list of 202 Club Members along with their claims of inventory. By another letter of 21st May some more information regarding 4 Club Members was emailed. However, at no stage was any step taken to engage the Committee in terms of para-56 of the order dated 7th January 2025 or to interact with the Committee so that the exercise envisaged therein could be undertaken for discharge of the mandate, such as verification of information, visits to important areas/cities, etc. interactions with athletes, other stakeholders, coaches, experts, veterans, etc.
5. In subsequent interactions, members of the Committee discussed, *inter alia*, the most pressing issues which needed immediate attention, so as to bring about a robust and wider participation of athletes from all over the country. However, in the absence of any meaningful information being furnished by EFI and in the absence of the Committee being engaged in terms of paragraph 56 of the aforementioned order, nothing more could be done at that stage.

6. EFI Executive Committee informs that most of the records were kept with the Secretary General, EFI, in the precincts of the Quarter Guard, Delhi Cantonment, to which the Acting President and other members of the Executive Committee or other persons interested, did not have ready access.
7. Since February 2025 many emails have been received from aspiring State Associations and other entities/persons seeking membership of EFI. Grievances too have been conveyed through the emails, et cetera.
8. Through an email of 22nd April, the Acting President EFI informed the Committee that the Secretary General EFI had been suspended. His message conveyed inter-alia:

"This is to formally inform you that Col Jaiveer Singh (Retd), Secretary General, EFI has been placed under suspension with immediate effect, pending inquiry due to his failure to respond to the Show Cause Notice served upon him on March 20,2025.

Despite being granted sufficient time to submit his explanation, no response has been received from his end. His continued non-compliance indicates disregard to EFI Statutes and his obligations as the Secy Gen accordingly, disciplinary action has been initiated starting with his suspension in the EC Meeting convened at EFI Office, Delhi Cantt on 11th April 2025.

The executive Committee has nominated Col MM Rahman, Joint Secretary General, EFI to take over the charge of Secy Gen, with immediate effect,. Col Rahman's mobile number: +918281293813 and email: mmrahman74@rediffmail.com

You are requested to take note of the above & should you require any additional information or supporting documents, please feel free to contact us. "
9. Be that as it may, the Committee is presently concerned with the relevant information being made available to it and for engagement in terms of the Hon'ble High Court's directions.
10. By another email of 13th May the Acting President communicated as under:

"Dear Sir,

I write to you as the Acting President of the Equestrian Federation of India.

You will be well aware of how the Federation is in a state of inertia, no thanks to the mulish refusal of Col. Jaiveer Singh to hand over charge in the wake of a Ministry of Youth Affairs and Sports letter indicating that he has exceeded the permission granted by the Department of Personnel and Training and a suspension by the EFI Executive Committee.

Col. Jaiveer Singh's actions have crippled the day to day administration of the Federation and led to confusion in the minds of the athletes especially with regard to selection criteria for the Asian Championships this year and the Asian Games next year. Besides, he has tarnished the image of the Indian Army as the paragon of discipline.

When asked to submit data around infrastructure, clubs, State Associations etc. to the Hon'ble Fact Finding Committee, Col. Jaiveer Singh merely sent a mail only to the clubs and not to the State Associations. He has even disabled some important portions of the website that included such data of clubs, athletes and horses.

However, we were able to trace some data that had been downloaded from the EFI website before it was shut down. We are pleased to share excel sheets for your perusal and record. We believe that a robust system that is compliant with the National Sports Code 2011 can be structured with the available infrastructure

It would be wrong to say that State Associations have not played a role in the development of the sport. I would also like to point out that Equestrian sport was a medal discipline in the National Games held in Karnataka in 1997, Manipur in 1999 and Punjab in 2011, with the State Associations fielding teams.

Even as recently as in 2017, EFI presented a road map which envisaged full compliance with the National Sports Code 2011 by the year 2021. You are aware that the Federation officials did a U-turn and sought exemption. It will be of interest to you, Sir, to note that the roadmap mentioned 16 State Associations as being members of EFI.

It will be pertinent to point out the Hon'ble Justice Tushar Rao Gadela had paved the way for elections to be held vide his Judgement on April 11, 2023. However, despite there being no Executive Committee in place, Col. Jaiveer Singh decided to challenge the judgement and obtained a stay from the Division Bench.

The Executive Committee held a hybrid meeting on June 10, 2025, with seven present in person and three online. And I can say without fear of contradiction that the majority would like to see the elections being conducted and a new body in place to ensure fairness and transparency in day to day administration and selection of athletes for the continental competitions.

Even though the Executive Committee does not have access to the EFI Bank Accounts, we will facilitate visits by the Hon'ble members of the Fact Finding Committee to different States to assess the infrastructure available, the nature of the member clubs, and to have conversations with athletes to get a first-hand idea of the situation on ground.

If the sport is to get back on rails, it is imperative that elections are soon held as per the National Sports Development Code of India 2011 and the Model Election Guidelines therein. We believe you are our only hope, Sir. I believe your report would be not only a milestone but also a catalyst in EFI's journey, paving the way for its smooth functioning in the years ahead.

We are happy to assist you and look forward to your report.

11. This email had some details of EFI clubs, athletes, and horses. It was followed up with two emails dated 15th June from the Acting President regarding i) interaction of EFI with MYAS regarding compliance with the National Sports Code, ii) documents pertaining to participation of State Equestrian Teams during the Assam National Games and iii) copy of a letter from the Indian Olympic Association expressing concern apropos the affairs of EFI.

12. Another email of 6th July 2025 informed the Committee, as under:

*"To,
The Secretary (Sports),
Ministry of Youth Affairs and Sports,
Room No. 3, C-Wing, Shastri Bhawan,
New Delhi - 110001*

Respected Sir,

1. At the outset, I would like to express my sincere gratitude for granting me an audience and allowing me the opportunity to present my concerns in relation to the functioning of the Equestrian Federation of India ["EFI"]. In furtherance of our discussion, I wish to place the following concerns regarding the function of the EFI on account of the repeated actions of the suspended Secretary General of the EFI, Col Jaiveer Singh, who has repeatedly attempted to thwart the functioning of the Executive Committee ["EC"] of the EFI for his own illegal motives, which has been to the detriment of the athletes as well the equestrian sport.

2. The EC of the EFI was democratically elected in the year 2019. Thereafter, Col. Jaiveer Singh had the EC removed to further his own illegal designs. However, the said EC was subsequently reinstated by way of an order dated 29.05.2024 issued by the Division Bench of the Hon'ble Delhi High Court. Since the reinstatement of the EC, Col. Jaiveer Singh has consistently acted contrary to the directions issued by the EC and has deliberately sabotaged the smooth functioning of the EC with the intent to undermine the functioning of the Federation.

3. The illegal actions of Col. Jaiveer Singh include his initial persistent refusal to grant access to the books of accounts of the EFI to the Treasurer appointed by the EC, thereby preventing the conduct of a forensic audit approved by the EC. It may be noted that the said forensic audit was critical to reveal serious financial irregularities attributable to Col. Jaiveer

Singh including but not limited to making payments to some foreign coaches in foreign exchange without the approval of the EC. The said transactions were in fact not even processed through EFI's official account, and the authenticity of the said transactions required detailed scrutiny. Thus, it is apparent that the repeated attempts by Col. Jaiveer Singh to obstruct the EC from conducting the financial audit was merely an attempt to conceal the true nature of the said transactions.

4. In light of the various concerns, the EC issued a Show Cause Notice dated 20.03.2025 ["SCN"], calling upon Col. Jaiveer Singh to respond to the specific allegations regarding his various illegal actions, and to show cause as to why strict action ought not to be taken against him. In the most brazen manner, Col. Jaiveer Singh failed to respond to the said SCN. Thereafter, the EC granted him an extension, yet no reply was received to the SCN. Owing to his continued non-compliance, the EC was compelled to initiate disciplinary action against Col. Jaiveer Singh, starting with his suspension, in accordance with a collective and reasoned decision of the EC in the meeting convened at the EFI Office in Delhi Cantt on 11.04.2025. The decision of the EC was also formally communicated to the Secretary General through a letter dated 11.04.2025.

5. Since his suspension, Col. Jaiveer Singh has repeatedly hindered the change in the authorized signatory of the bank accounts of the EFI, thereby taking over the control of the bank accounts of the EFI and consequently restricting the EC's access to the bank accounts of the EFI. It is relevant to note that the said bank accounts also hold the government authorized funds which have been duly granted for the promotion of the equestrian sports in the Country. By illegally seizing control of the said bank accounts, Col. Jaiveer Singh is intentionally hampering the smooth functioning of the EFI by curtailing the access to the funds required for the training of the athletes and for conducting equestrian events in the Country.

6. I would also like to bring to your kind attention the role of the Court-appointed Observer, Dr. S.Y. Quraishi, who was nominated by the Hon'ble Delhi High Court to keep the Court apprised of the developments within the EFI. Since his appointment, the Court Observer has miserably failed to abide by his mandate and has in fact only submitted two reports thus far to the Court in relation to the functioning of the EFI, the last being in 2022. It may be noted that although the fee of the Court appointed Observer was fixed at ₹1 lakh for attending AGMs and ₹50,000 for EC meetings, he has unilaterally increased his own remuneration to ₹2 lakhs and ₹1 lakh,

respectively, without any authorization or direction from the Hon'ble Court or the approval of the EC.

7. The conduct of the Court-appointed Observer has been quite concerning and reflects a departure from the neutrality expected of him. Rather than objectively reporting the developments of the EFI to the Court, Dr. Quereshi has taken to actively corresponding with the FEI, being the governing body of equestrian sports, in a manner that appears protective of Col. Jaiveer Singh, while undermining the authority and efforts of the EC. On account of the said representations issued by the Court Observer, the FEI has indicated its disapproval of the manner in which the EFI has been functioning and has also indicated its approval to the suspension of Col. Jaiveer Singh while further providing its approval to the appointment of Col. Rahman as the interim Secretary General of the EFI and the undersigned as the interim President of the EFI.

8. Till date, the Court-appointed Observer has neither raised any of the ongoing illegalities before the Court nor responded to queries from the EC, choosing instead to communicate solely with Col. Jaiveer Singh, which is clearly beyond the scope of his mandate. Following the suspension of Col. Jaiveer Singh, the Court-appointed Observer has continued to unwaveringly support the illegal continuation of Col. Jaiveer Singh as the Secretary General, despite knowing of the illegalities committed by Col. Jaiveer Singh during his tenure as the Secretary General of the EFI, which is neither in the interest of the sport or the EFI, nor being in line with the decision of the EC.

9. Despite these serious challenges, the EC remains committed to the advancement of equestrian sport in India and continues to work tirelessly in the interest of the athletes. This is evident from the fact that, notwithstanding the numerous obstacles created by Col. Jaiveer Singh, the EC has successfully prepared the annual sports calendar. The EC's primary objective is to ensure that athletes are able to train and compete effectively, particularly in preparation for key upcoming events such as the Asian Games and the Asian Championship. It is important to note that the repeated illegal actions of Col. Jaiveer Singh has hindered the general functioning of the EC, which is further causing severe difficulties in the preparation of the Indian equestrian athletes in the Asian Championships and the Asian Games, which are fast approaching.

10. The Hon'ble Delhi High Court has, in the meantime, appointed a Fact-Finding Committee by way of its order dated 07.01.2025 in W.P. No. 5989/2022, with a mandate to submit a detailed report on the functioning of equestrian sport in India.

11. While the EC awaits the findings of the Committee in its final report, it is of utmost importance, in the interest of the sport and in accordance with the roadmap dated 22.06.2017 prepared by the EC, that fresh elections be conducted in adherence to the National Sports Development Code. In this context, it is essential that only recognized State and Union Territory associations be permitted to participate as voting members, in keeping with the principles of fair and transparent representation.

12. In view of the foregoing, I respectfully urge the Sports Authority of India to take cognizance of the issues highlighted herein and to extend its support in ensuring that the EFI functions lawfully and in the best interests of the sport and its athletes.

13. Should any further information or clarification be required, I shall be happy to provide the same.

Thanking you,

Yours sincerely,

Col. Jagat Singh (Retd)

13. Thereafter counsel for the EFI contacted the Chairman seeking a meeting of the Committee and due compliance, in terms of the directions of the Hon'ble High Court for a countrywide comprehensive fact-finding exercise regarding the affairs of equestrian sports in India, could be carried out to its fullest and at the earliest.

14. An interaction was held in virtual mode with the Acting President, the counsel for EFI and some other Members on the 2nd August. A meeting of the Committee was called on 5th August through hybrid mode. All members of the committee except the SAI nominee joined. It was also attended by 10 of the 16 members of the EFI Executive Committee. They were apprised of the comprehensive nature of the exercise to be carried out and the assistance that would be required from the EFI in carrying out the same. The Committee was formally engaged by the EFI Executive Committee and was assured of all assistance, as well as of information that was readily available with it.
15. It was expected that at the time of supplying of information wayback in February-March at least the Constitution of EFI and a list of its members would be made available, along with details of the Championships/tournaments held annually throughout the country, the geographical distribution of such tournaments, the list of athletes, the horses owned or otherwise leased by EFI, other facilities that may be available with EFI and was easily accessible to athletes, et cetera. The Committee was informed that earlier there were 16 State Equestrian Associations but for inexplicable reasons, this number has dwindled to merely 5. The Executive Committee was concerned about the lack of due representation of State Equestrian Associations and corollary constraints to aspiring athletes from all over the country from participating in various competitions and trials.
16. It was also discussed and agreed that for the sake of fairness and wider participation of aspiring athletes resident in India, selection of the Indian contingent for participation in international tournaments, should be held within the country closer to the international event, the scores secured by Indian players resident or practising outside the country would be considered. However, the criteria and methodology of selection ought to be informed to everybody concerned much in advance so as to remove any sense of doubt, disquiet or despondency.
17. It was also the essence of the discussion that pending submission of Final Fact-Finding Report interests of the sports persons should be secured. Therefore, an interim report or suggestion to should be made regarding immediate measures to be taken apropos tournaments to be held in the Middle East later in the year in Bangkok.

18. In view of the above, the Committee discussed with EFI and sought the following inventory and information within two weeks at the latest:
